**ALLENTOWN FIRE DEPARTMENT
INSPECTION CHECKLIST
HEALTHCARE**

The International Fire Code (IFC) 2018 Edition has been adopted by the City of Allentown. Fire codes listed are not a comprehensive list and do not encompass all applicable codes. The noted code sections are commonly encountered and generally applicable for this inspection type.

In an effort to streamline the inspection process for your facility and the inspecting Fire Marshal we have included some guidelines specific to your business to help you prepare before the inspection to ensure you receive a passing inspection and **avoid multiple visits for any violations**. Please use the checklist below before returning the application and payment.
