### 3 Subgrantee Information

**Instructions**

Complete this table for all subgrantees and contractors receiving HPRP funds.

- Please complete it for all "first-tier" subgrantees only. That is, subgrantees of subgrantees or vendors hired by a subgrantee do not need to be reported on this screen.
- If a metropolitan city or urban county did not subgrant or subcontract a portion of HPRP funds, simply enter the total amount of the grant in the row labeled "Funds Retained by Grantee."
- Please note that Section I.B. of the HPRP Notice defines subgrantees as any private non-profit organization or unit of general local government to which a grantee provides funds to carry out the eligible activities under the grant and which is accountable to the grantee for the use of the funds provided. An agency of the grantee is not a separate unit of general local government to which the grantee can provide HPRP funds; rather, it is a representative of the grantee itself.

## 4 Combined HMIS and Comparable Database Data Quality

**Instructions:**

Report the number of clients served during this reporting period, as well as the number of adults served, unaccompanied youth served, and total clients leaving during the reporting period. Then report the number of clients with "Don't Know" or "Refused" recorded for each of the required HMIS data elements in the table below. Similarly, report the number of clients with missing data for each of the required data elements. Each record corresponds to one client served.

Data quality is based on the latest date of service for each client in the reporting period. The information entered in this screen should represent the quality of HMIS data, as well as data collected in a comparable database. If multiple databases are used across a grant, data should be merged for reporting purposes.

**Total number of records for all HPRP clients:** 294  
**Total number of records for Adults Only:** 162  
**Total number of records for Unaccompanied Youth:** 0  
**Total number of records for Leavers:** 153

## 5a Persons Served by Household Type - Homelessness Prevention

**Instructions:**

Report the unduplicated count of all persons who were served in an HPRP program for homelessness prevention during the reporting period. "Served" means that the person had an HPRP program entry or exit date within the reporting period and at least one HPRP service activity (e.g., financial assistance and/or housing relocation and stabilization service).

Each person should be counted in the household type associated with his or her last "homelessness prevention" stay of the reporting period. Age should be calculated based on entry date closest to the end of the reporting period; or if persons were in the program during the previous reporting period, then age should be calculated for the first day of the reporting period.

The household types include:

- a) Households without Children - include single adult persons, or adults with adult companions that have never had a child in their household.
- b) Households with Children and Adults - include any household with at least one adult and one child present regardless of whether the child(ren) is present for the full program stay.
- c) Households with Only Children - include any household where all persons are younger than age 18.
- d) Unknown Type - If age is missing for a member of a household, it is only possible to determine the person's household type if the household already includes at least one adult and one child. Otherwise, these persons should be recorded under unknown household type.

## 5c. Persons Served by Household Type

**Instructions:**

Report the unduplicated count of all persons who were served in an HPRP program for homeless prevention AND assistance during the reporting period. "Served" means that the person had an HPRP program entry or exit date within the reporting period and at least one HPRP service activity (e.g., financial assistance and/or housing relocation and stabilization service).

Each person should be counted in the household type associated with his or her last "homeless prevention or homeless assistance" stay of the reporting period. Age should be calculated based on entry date closest to the end of the reporting period; or if persons were in the program during the previous reporting period, then age should be calculated for the first day of the reporting period.

The household types include:

- a) Households without Children - include single adult persons, or adults with adult companions that have never had a child in their household.
- b) Households with Children and Adults - include any household with at least one adult and one child present regardless of whether the child(ren) is present for the full program stay.
- c) Households with Only Children - include any household where all persons are younger than age 18.
- d) Unknown Type - If age is missing for a member of a household, it is only possible to determine the person's household type if the household already includes at least one adult and one child. Otherwise, these persons should be recorded under unknown household type.

## 6 Households Served

### Instructions:

Report the unduplicated count of all households who were served in an HPRP program during the reporting period. "Served" means that the household members had an HPRP program entry or exit date within the reporting period and at least one HPRP service activity (e.g., financial assistance and/or housing relocation and stabilization service).

The type of household is determined based on the type of persons in the household, considering all program stays within the reporting period.

a) Households without Children - include single adult persons, or adults with adult companions that have never had a child in their household.

b) Households with Children and Adults - include a person in any household with at least one adult and one child present regardless of whether the child(ren) is present for the full program stay. (Rule - If ever a child in the household, always a household with children).

c) Households with Only Children - include a person in any household where all persons are younger than age 18.

d) Unknown Type - If age is missing for a member of a household, it is only possible to determine the person's household type if the household already includes at least one adult and one child. Otherwise, these persons should be recorded under unknown household type.

### Number of Households Served

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type

## 7 Housing Status at Entry

**Instructions:**

Report the number of persons in each housing status category at program entry, recorded by the type of household in which each adult was served. Report all persons served in the program during the reporting period. If a client entered a program more than once during the reporting period, the housing status at entry should be determined based on the status at the last program entry prior to the end of the reporting period.

### Number of Persons in Households

## 8a Persons and Households Served with Homelessness Prevention by Service Activity

**Instructions:**

Report the number of persons (adults and children) and households served during the year and cumulatively since grant execution (GTD or "grant-to-date") with Homelessness Prevention (as determined by client Housing Status at HPRP program entry). Only persons who were entered in an HPRP program and received financial assistance or housing relocation and stabilization services during the reporting period should be reported in the "reporting period" columns.

Note: Persons can be counted in Homelessness Prevention, even if they also received Homeless Assistance during the year, as long as they had two or more distinct program episodes with a housing status of "literally homeless" at one entry (Homeless Assistance) and a housing status of "imminently losing housing, unstably housed, or stably housed" at another (Homelessness Prevention).

For the "reporting period" columns, the total rows should reflect the total unduplicated number of persons who received HPRP assistance during the reporting period (separately reported for Financial Assistance, Housing Relocation & Stabilization Services, and Unduplicated across both) while entered in an HPRP program, a subset of those reported in screen 5. For the "grant-to-date" columns, the total rows should reflect the total unduplicated number of persons who have received HPRP assistance since the inception of the grant through the end of reporting period associated with this APR.

## 15 Client Monthly Cash Income Amount - Adult Leavers

### Instructions:

Report the number of adult leavers in each income category.

Income at entry - Count each adult in the row that corresponds with the amount of income each person had at the first entry of the operating year or annual assessment nearest the first day of the operating year, whichever is later.

Income at exit - Count each adult in the row that corresponds with the amount of income each person had at exit.

Less/Same/More/Unknown Income - Count each adult in the row that corresponds with the amount of income each person had at entry and in the column that corresponds to whether the person's income at exit was less, the same, or more than income at entry. Record the person in the unknown column if income at exit is missing.

Average Change - In each row, calculate the average change in income between entry and exit for the people counted in that row in the "Income at Entry" column. (e.g., report the average change (\$) in income for the people who had no income at entry.) Calculate the average for all clients and report in the total row.

Leavers - The term "leaver" refers to persons who exited and were not in the program on the last day of the reporting period.

## 18 Length of Participation by Homelessness Prevention and Homeless Assistance (Leavers Only)

**Instructions:**

Report the number of persons in each participation length category, recorded separately for Homelessness Prevention and Homeless Assistance. Length of participation should be based on program entry to exit (or the end of the reporting period, whichever is first) of their most recent program enrollment, including days stayed in the program prior to the start of the reporting period.

Also report the average and median length of participation of all persons in Homelessness Prevention and all persons in Homeless Assistance.

## 19 Housing Status at Entry and Exit

**Instructions:**

This screen should only be completed for clients who exited and were not in the program on the last day of the reporting period. If a client is served more than once during the reporting period, housing status data should be based on the information collected during the last program entry and exit prior to the end of the reporting period. All leavers should be reported only once for the entire screen based on a combination of data recorded at entry and exit.

## 21 Financial Information

**Instructions:**

Enter the amount of HPRP grant funds expended for Financial Assistance and Housing Relocation & Stabilization Services during the reporting period. Also enter the cumulative value expended for each activity type since the grant inception.

Remember that "Grant to Date" represents the time period from the date the grant started in 2009 until September 30, 2011. Therefore, the amounts entered in the "Total Grant to Date" column should represent the total amount expended as of September 30, 2011.

## 22 Significant Program Accomplishments

**OPTIONAL:** Please describe any significant accomplishments achieved by your program during the reporting period.

**Maximum Characters: 2000**

Without the assistance provided by the HPRP program, many families and individuals would have been homeless. Larger families impacted by domestic violence were able to be assisted for the first time because of these funds.

## 23 Program Description

**Describe the following elements of the HPRP program design and implementation.  
Include any changes made since the beginning of the program.**

### **Homelessness Prevention**

Maximum Characters: 2000

There was considerable demand for homelessness prevention funds and lesser demand for rapid re-housing funds during the program year. As a result, some budgetary changes were made to increase funds available for homelessness prevention and decrease funds for rapid re-housing.

### **Rapid Re-Housing**

Maximum Characters: 2000

Rapid re-housing funds were not used as quickly as the homelessness prevention funds so adjustments were made to increase the funds available for homelessness prevention.

### **Collaboration with Continuum of Care**

Maximum Characters: 2000

HPRP administrators at the City of Allentown actively participate with the Regional Homeless Advisory Board and the Continuum of Care process. The HUD Grants Manager for the City of Allentown was elected co-chair of the Pennsylvania's Northeast Region Homeless Advisory Board in the summer of 2011.

### **Collaboration with other ARRA programs**

Maximum Characters: 2000

### **Barriers to and challenges with effective implementation**

Maximum Characters: 2000

Once the agencies were comfortable with the myriad program and reporting requirements, the programs spent money much more quickly. There was a slower start at the beginning of the program.

### **Grantee's process for oversight and monitoring of sub-grantees/contractors**

Maximum Characters: 2000

The City of Allentown closely monitors all HPRP sub-recipients. On-site monitoring occurred for each agency on at least a quarterly basis. In addition, sometimes daily technical assistance occurred.

## 24 Additional Comments

**OPTIONAL:** You may use this space to provide any additional comments on areas of the APR that need explanations.

Maximum Characters: 2000

## 25 Submission Certification

### HPRP Homeless Management Information System (HMIS) Data Certification

As stated in the HPRP Notice, "The Recovery Act requires HPRP grantees to report client-level data, such as the number of persons served and their demographic information, in a Homeless Management Information System (HMIS) or a comparable database." The Notice further states, "HPRP grantees and subgrantees providing financial assistance and services directly will use the HMIS in the applicable Continuum of Care to collect data and report on outputs and outcomes as required by HUD."

The purpose of this screen is to certify to HUD that grantees are compliant with the HPRP Notice. The grantee should work with the HMIS Lead to certify all information contained in this HPRP APR was generated by an HMIS or a comparable database, where appropriate.

Please complete one (and only one) of the following:

All of the data on persons and households served in this APR was pulled from an HMIS

Some of the data on persons and households served in this APR was pulled from an HMIS Yes

None of the data on persons and households served in this APR was pulled from an HMIS

If all data contained in the HPRP APR was NOT pulled from an HMIS, please explain why below:

(Reasons may include DV agencies using a comparable database, etc.)

Maximum 2000 characters

There were problems with PAHMIS from the beginning of the program year and data did not correspond to the hard data provided by the providers. We want to make sure the data submitted in the QPR/APR's are correct and match the records found when monitoring the agencies, therefore not all the data came from the HMIS system.

The Name of the Authorized Grantee Official should be the same as submitted in the HPRP Substantial Amendment, unless there has been a change.

Name of Authorized Grantee Official Heidi K. Baer

Title/Position HUD Grants Manager

**I hereby certify that all the information stated herein is true and accurate. I understand that HUD will prosecute false claims and statements and that conviction may result in criminal and/or civil penalties (pursuant to 18 USC 1001,1010,1012;31 USC 3729,3802).**
