

PERTINENT FACTS ABOUT THE CITY OF ALLENTOWN

GENERAL

The City of Allentown is the county seat of Lehigh County and, with 121,283 residents, according to the U.S. Census Bureau 2017 estimate, ranks as Pennsylvania's third largest city. The Allentown-Bethlehem Metropolitan Statistical Area, comprised of Carbon, Lehigh, and Northampton counties is the third largest urbanized area in the Commonwealth, with population estimated at 733,752. Only the Philadelphia and Pittsburgh areas have more residents. The City is strategically located within a 300-mile radius of the larger metropolitan areas of the eastern seaboard of the United States.

CITY GOVERNMENT

On April 23, 1996, the voters of the City of Allentown adopted a Home Rule Charter pursuant to the Home Rule Charter and Optional Plans Law, Act of April 13, 1972, P.L. 184, as amended, 53 P.S. Sections 2901 et seq. The City's Home Rule Charter took effect on the first Monday of January 1997. An elected Mayor with a four-year term serves as the chief executive of the City. A seven-member part-time City Council, elected at-large for four-year staggered terms, forms the legislative branch of the City government. The other elected City Official is the City Controller, who serves a four-year term. The City Council holds regular public meetings, at least twice a month, usually the first and third Wednesday of each month, in order to enact legislation in the form of ordinances and resolutions.

INDUSTRIES/LABOR FORCE

The Allentown area remains an attractive location for new and existing businesses. A number of major corporations, including Air Products and Chemicals, Inc., Boston Brewing, Lehigh Portland Cement, LSI, and PPL have selected Lehigh County as their headquarters or as the location of their principal plants. Other major industries include apparel, electrical and electronic equipment and fabricated metal products. Investments have remained strong in Allentown and the Lehigh Valley area relative to the state and northeast as a whole.

TRANSPORTATION

Interstate 78, U.S. Routes 22, 222, and 309 and several state highways radiate from the City and the Lehigh Valley, providing access to the major markets and ports of the East. The Northeast Extension of the Pennsylvania Turnpike is located approximately three miles west of the City. Railroads serving the Lehigh Valley area include the Consolidated Rail Corporation and the Canadian Pacific Railroad. Conrail has a large classification yard in the Allentown area. The Allentown yard can handle some 80 trains in and out each day, an average of one train every 18 minutes.

AMENITIES

The City of Allentown is home to a variety of cultural and educational facilities including two colleges, an art museum, two theatre companies, two symphony orchestras, a municipal opera company, the Allentown Band, and an expanded free public library. The City maintains 2,000 acres of park land, well above the national average. A minor league hockey arena was constructed in the downtown area in 2014 and major enterprises are being attracted to Hamilton Street.

Council shall provide for another public hearing to be held within five (5) days after the Mayor has resubmitted the Budget. (Art. VIII, §805)
