(1) The Commonwealth of Pennsylvania has enacted the "Local Government Unit Debt Act" which limits debt to revenues. Briefly, the revenues of the last three years are adjusted for various nonrecurring and excludable items. The average of the adjusted revenues is then the borrowing base. Certain percentages are applied to the borrowing base to determine the debt limitations.

(2) For computation purposes, this amount has been reduced by \$31,325,000, which is the outstanding balance of the 2004 G.O. Bond Issues used to finance the City's pension funding liability as allowed by statute.
