Holiday Crime Prevention Tips In Parking Lots:

- Shop early and leave early to avoid evening darkness.
- Park in a high visibility area and check for lighting in case you leave during hours of darkness.
- Do Not park next to a vehicle with dark tinted windows.
- Prior to arriving at the shopping center, lock all your valuables in the trunk of your vehicle.
- Leave the store with others, not alone.
- Ask security to escort you to your vehicle if you feel uncomfortable.
- Walk briskly, confidently, and directly through the parking lot. Be cautious of people handing out fliers or asking questions in the parking area.
- Watch for people who may be following you. This can occur inside as well as outside. If you suspect someone following you, report it to security immediately.
- Have keys ready in your hand before getting to your car. Do NOT fumble for them in your purse.
