

Midway Manor Vibes™

Oct/Nov/Dec 2009 Edition

They Did It!

Welcome to the Oct/Nov/Dec 2009 edition of "The Vibes".

We told you last edition how our new Midget baseball team was in the running for the city championship. They did it! Congratulations to the city champions, the Midway Manor Mustang Midget Baseball team!

Bear with me now as I'd like to revert to a previous Vibes format when this column was entitled "Prez Sez", since this will be the last edition of the Vibes while I'm serving our neighborhood as 2009 MMCA president.

We've had a great year in the manor; our sports teams have grown tremendously – Opening Day was fantastic and the soccer, t-ball, and baseball teams all had a great year. The Easter Bunny was swamped with kids for our annual Easter Egg hunt. We had a 'doggie day' with the opportunity to get our pups on agility equipment and show off. We had a HOT (both in temperature and in fun) summer festival with great food, games, rides and music. Our annual community yard sale was a huge success with almost 100 families/vendors and loads of shoppers in attendance. And still to come is our annual Halloween party, candidate night, sports

banquet, children's Christmas party and both house decorating contests (Halloween and Christmas). We've also gained wonderful new neighbors and partners with the arrival of the Faith Fellowship Church.

None of these events and activities would have been possible without the support and help of a lot of dedicated neighbors. Thank you to Eric Wilburn, our athletic director and all the coaches for the many hours and hard work they've devoted to our sports kids. Thank you to Dick Wilburn, all the snack shed volunteers and all the sports parents who helped run our snack shed during the season. Thank you to our Easter Bunny and our mascot Max who endure all kinds of weather and multiple hugs to make the young ones happy. Thank you to Gwenevere Marx and our panel of judges for their help at the Doggie Day. Thank you to the many, many volunteers who manned the games, booths, dunk tank, snack shed and to the planning committee for making the Summer Festival a reality. Thank you to everyone who helped out with preparation for the yard sale and again to the regular snack shed crew. Thank you to the neighbors who held yard sales at their own homes but donated to the MMCA to help cover the cost of the advertising that brought the customers in. Finally, big thank you's to the rest of the MMCA officers for your willingness to help lead our organization and make our neighborhood a true treasure!

Happy upcoming holidays to all!

MMCA on the Net

The Vibes can be found on the City of Allentown's web site, in the neighborhood groups section at:

<http://www.allentownpa.gov/Community/NeighborhoodGroups/tabid/195/Default.aspx>

Additionally, we've created a Facebook group. While you do have to register (for free) with Facebook to join the online group, you can register as an anonymous user. Once you've registered at www.facebook.com, search the groups for Midway Manor Community Association. We're posting events, pictures and discussions at the group site.

If you need someone to help walk you through signing up and/or finding the group, contact Laura Vito at 610-776-8934

Welcome Wagon

Do you have new neighbors on your block? While you were out walking, have you seen a moving van in front of a house? If you have, please let the welcoming committee know. We would like to give these new neighbors a bag containing pamphlets about Allentown, recycling, and other helpful information. Please call me with the address of the new residents.

Dan Schantz Coupons

Thanks again to all of you who used the Dan Schantz coupons last spring. With little effort we are able raise funds for the association. Attached to the VIBES are coupons good until December 26, 2009. Just hand in one coupon for every \$10.00 you spend and the association will get \$2.00 back. Take extras along and hand them out to other shoppers. No one refuses when you tell them it benefits our association. Thanks again for your help and cooperation.

Under New Management

A new church – Faith Fellowship Church – is now occupying what was formerly the Midway Manor Moravian Church. Nestled on the corner of Ulster and Pennsylvania Sts, Faith Fellowship is a non-denominational Bible Believing Church with about 50 members. They boast a strong music ministry, a mid week teen group and a Sunday Morning nursery for infants and toddlers. A Sunday school program for 1st – 8th grade and mid week Bible studies, start this fall.

If you are looking for a warm friendly church with sound Biblical teaching, check out Faith Fellowship Church. Come early for a time of fellowship. Coffee is served 10AM and Church Service starts at 10:30. All are welcome.

On a Personal Note...

Having a baby? Birthday? Anniversary? Graduation? Contact Tom Schwyer at ritaandtom@gmail.com and we will announce your special event in the Vibes.

Get Ready for Haunted Houses & Christmas Cheer

The MMCA will once again be judging Manor houses at Halloween and Christmas!

Judging for Halloween decorations will take place on Sunday October 25th (the ghosts will be out looking around 8pm). Three awards will be up for grabs: Scariest, Most Unique and Best Overall.

Judging for Christmas decorating will take place on Sunday, December 20th (the elves will be out around 8pm). The three categories they'll be awarding are The Griswald award (think lots of lights), Norman Rockwell (classic decoration) and Best Overall.

The Midway Manor is always spectacular during the holidays! As with every year, the judges are likely to have their work cut out for them!

News Bulletin!

Keep up to date with MMCA current events by checking out the bulletin boards at the park. The MMCA is updating the bulletin boards monthly.

Halloween Parade & Party

This year's Halloween Parade and Party will be held at the snack shed on Friday October 23rd. The parade will begin promptly at 7pm, followed by a costume contest at approximately 7:30. Prizes will be awarded within 3 age groups for Scariest, Funniest, and Best Overall costumes. In the case of poor weather, the party will be moved to the Faith Fellowship Church. Bring all your little goblins!!

Neighborhood Patrol

The Midway Manor Security Patrol has been made aware of recent robberies in Midway Manor. Homes have been burglarized while the occupants were away. To protect yourself and your possessions we recommend the use of deadbolt locks, even when you're at home. Other safety recommendations include promptly reporting suspicious activity to the police (**NON EMERGENCY CALL 610-437-7751/EMERGENCY CALL 911**), notifying neighbors when going away, and leaving exterior lights on overnight. When going on vacation notify the MMCA Security Patrol by filling out a **REQUEST FOR SURVEILLANCE** form (attached to the vibes). With everyone on the alert we will force the criminals to look elsewhere.

When calling police provide the dispatcher with a detailed description of the person or persons and description and license plate number of the vehicle. (If you have a checkmate number you do not have to provide your name just your checkmate number. If you do not have a checkmate number, contact me for an application.) Make a note of the activity, time and date called, and the dispatcher's number, and provide me with the details. I track and follow up on all reports.

Also, we are looking for residents to help patrol during early morning, daytime, and evening hours. If you are able to help, please contact Ernie at 610-434-5494 or atiyeh12@aol.com

Please keep the manor safe--get involved!

UPDATE: Sign up for Operation ID to further protect your property. See flyer in this edition of the Vibes which explains the program.

Thanksgiving Pumpkin Rolls

With the gracious donation from the Faith Fellowship Church, the MMCA will again be doing its annual Thanksgiving time delivery, but this year rather than pumpkin pies we'll be delivering homemade pumpkin roll. Do you have an elderly neighbor who might enjoy some holiday cheer? If you would like to nominate a resident to receive a pumpkin roll, please call Patty Wilburn at (610) 439-3469.

Children's Christmas Party

This year's Children's Christmas party will be held on December 12th in conjunction with Faith Fellowship Church's tree lighting ceremony. The party will begin at 4:30 and pizza will be served thanks to the gracious donation of Faith Fellowship. The tree lighting ceremony will begin at 6:30. Santa needs to know how many kids will be attending to be sure his elves have some early gifts made, so you **must** RSVP by November 21st using the form found in the Vibes or we won't be able to guarantee that Santa will have a gift for your child. This is a free event for children and family members of MMCA members. Non-members are welcome to attend for \$5.00 per child.

OPERATION IDENTIFICATION (ID)

WHAT IS OPERATION ID?.....Operation ID is when residents mark property that can be easily stolen if someone breaks into your home.

HOW DO I MARK MY PROPERTY?.....MMCA has purchased two electronic engravers that you can use to mark your drivers license number on your property.

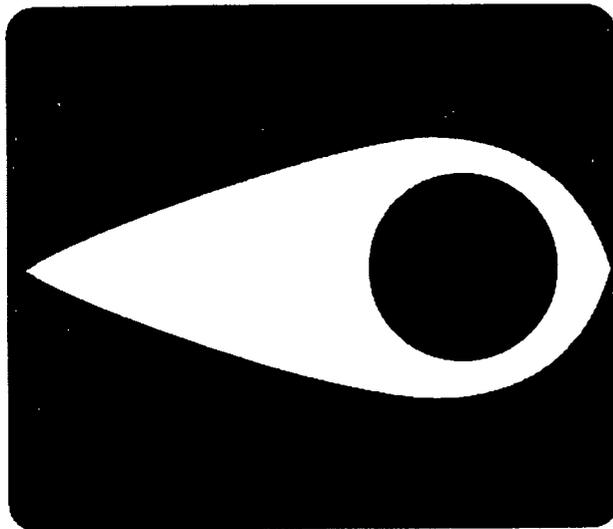

WHAT PROPERTY DO I MARK?.....Anything that can be carried out of your home or garage.

HOW WILL THIS HELP ME?.....You will receive two Operation ID stickers for your front and rear doors (SEE EXAMPLE BELOW) alerting everyone that your property has been marked. Someone looking to break into your home will see the sticker and think twice before attempting to enter.

HOW WILL THIS HELP THE POLICE?.....Example: Let's say the police catch someone breaking into a property and get a search warrant for their home and garage. During the search they find property that has been "ID'd". Using the license number they can locate the owner of the property and charge the person with burglary. Your property will be returned to you.

HOW DO I GET AN ENGRAVER?.....
Contact Ernie Atiyeh by e-mail at atiyeh12@aol.com. Provide your name, address, and home phone number. Engravers will be given out on a first come first serve basis. Ernie will call you when to pick up your engraver. A \$25.00 deposit will be needed and returned when you return the engraver. You will be given a receipt for your deposit with the date you picked it up. Engraver must be returned within three day's or you forfeit your deposit.

Revocable Living Trusts – One Way to Avoid Probate?

Probate is the process of administering the estate of a person who has died. This process of probating, includes collecting, inventorying and appraising assets; paying and collecting debts; filing and paying estate taxes; and distributing any remaining assets to beneficiaries. Attorneys, such as Gladys E. Wiles, experienced in probate and estate administration can help simplify this complicated process and provide guidance along the way.

Probate can be an expensive, drawn-out process, especially for beneficiaries who may have to wait anywhere from one to two years to receive the property left to them in the will. There are certain types of assets that do not have to go through probate and become available to the beneficiaries upon death of the decedent. These generally include: Property owned in joint tenancy with rights of survivorship; Payment on Death (POD) bank accounts; Transfer on Death (TOD) securities; Life insurance proceeds; IRAs, 401(k)s, and other tax-deferred retirement plan proceeds and Revocable Living Trusts.

Revocable living trusts are similar in form and substance to wills. These instruments allow the creator (the testator) to transfer the title of ownership of property to the trust. During life, the testator can remain in control of his or her assets, with the ability to sell, buy or transfer property as he or she wants. The trust also can be changed or terminated at any time by the testator.

Upon death, the property in the trust does not become part of the probate estate because title to the property is owned by the trust, not the decedent. The trustee designated in the revocable living trust will then be in charge of administering the trust and distributing property to the beneficiaries in accordance with the terms of the instrument. Revocable Living Trust do not avoid the filing of an Inheritance Tax Return or the tax implications that may be associated with an Inheritance.

Many people use revocable living trusts as a way to limit the amount of property subject to probate. Revocable living trusts are often advertised as a way to avoid probate all together, but often they are coupled with a will that disposes of any property not specifically named in the trust.

Conclusion:

Guiding an estate through the probate process and effectively administering that estate requires a keen understanding of probate and tax laws. If you need help in administering an estate, contact Gladys E. Wiles, who is experienced in probate and estate administration so that she may ensure that the most effective administration of the estate is accomplished.
