This is for all you computer bugs out there**Cleaning Poem**

I asked the Lord to tell me
 Why my house is such a mess.
 He asked if I'd been 'computering',
 And I had to answer 'yes.'

He told me to get off my fanny
 And tidy up the house.
 And so I started cleaning up...
 The smudges off my mouse.

I wiped and shined the topside.
 That really did the trick...
 I was just admiring my work.
 I didn't mean to 'click.'

But click, I did, and oops I found
 A real absorbing site.
 That I got SO way into it.
 I was into it all night.

Nothing's changed except my mouse
 It's very, very shiny.
 I guess my house will stay a mess...
 While I sit here on my heiney.
