FAX: (610) 437.8719

July 28th, 2011

Congress St. From Maxwell St. to Plymouth St.

Dear Resident,

The above named street will have base preparation completed between the period of **August 1st and August 19th 2011**. The area and surrounding area will be posted a day or two prior to construction. There will be a few days that the street will be closed or have traffic restricted due to the construction so make sure to look for posted signs and remove any items you would need from the front of your property. There will be a short period of time for the base material to settle and then we will be back to level and overlay. We are sorry for the inconvenience this may cause. If you have any questions call the Street Department at (610) 437-7638.

Sincerely,

Craig W. Messinger, Superintendent
Bureau of Streets
