9-1-1

**Emergency Service Starts Here!**

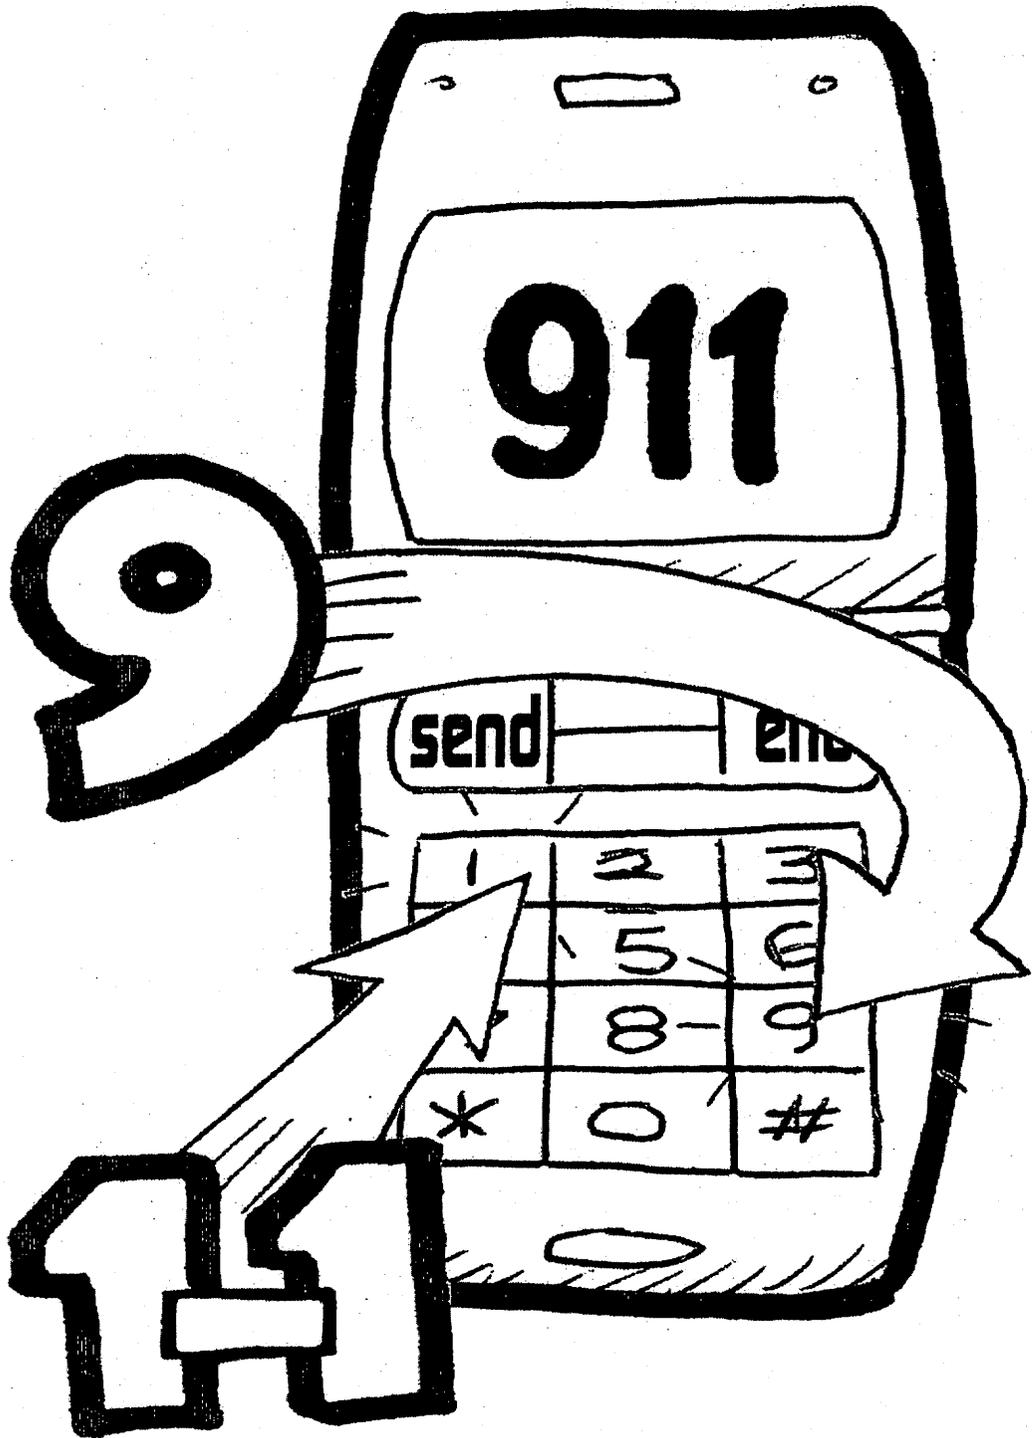

A cell phone is cool, it is so  
much fun, But did you know you can  
call 9-1-1?

It's a little bit different from the  
phone in your house,  
It will fit in your pocket like your  
friend's pet mouse.

Make sure the phone power is on- that's a must, The rest is quite easy- you I can trust.

Just press the buttons 9-1-1,  
But wait; your job is still not done.

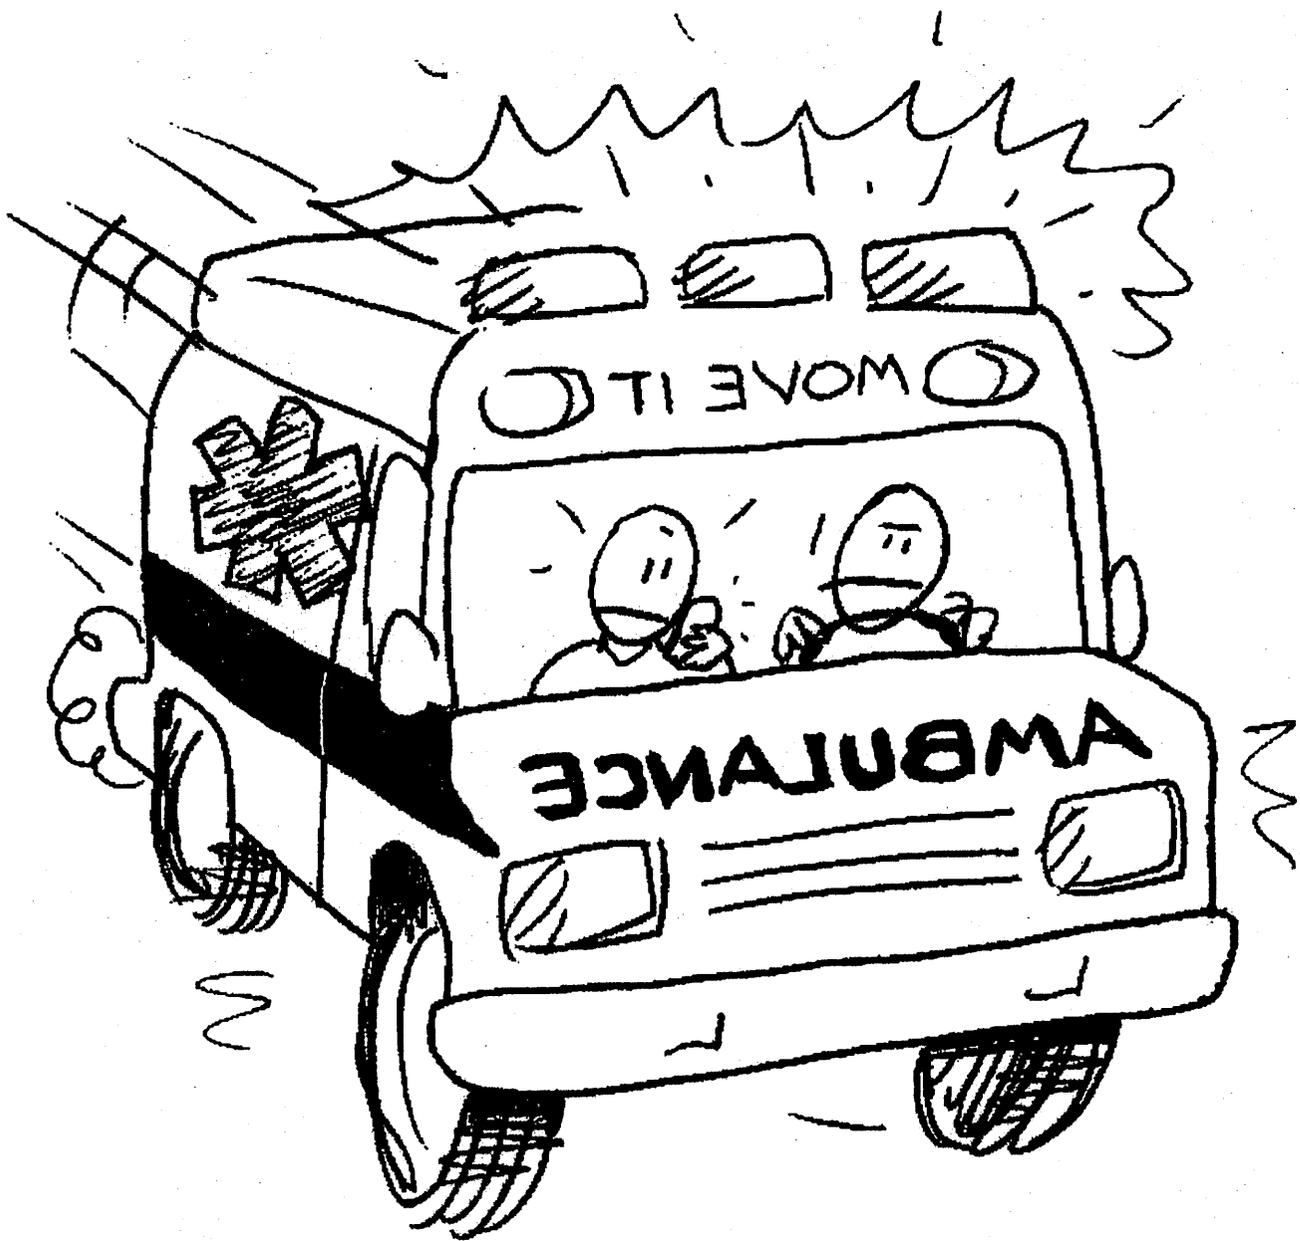

There is one more thing before you end,  
You have to press a button to SEND.

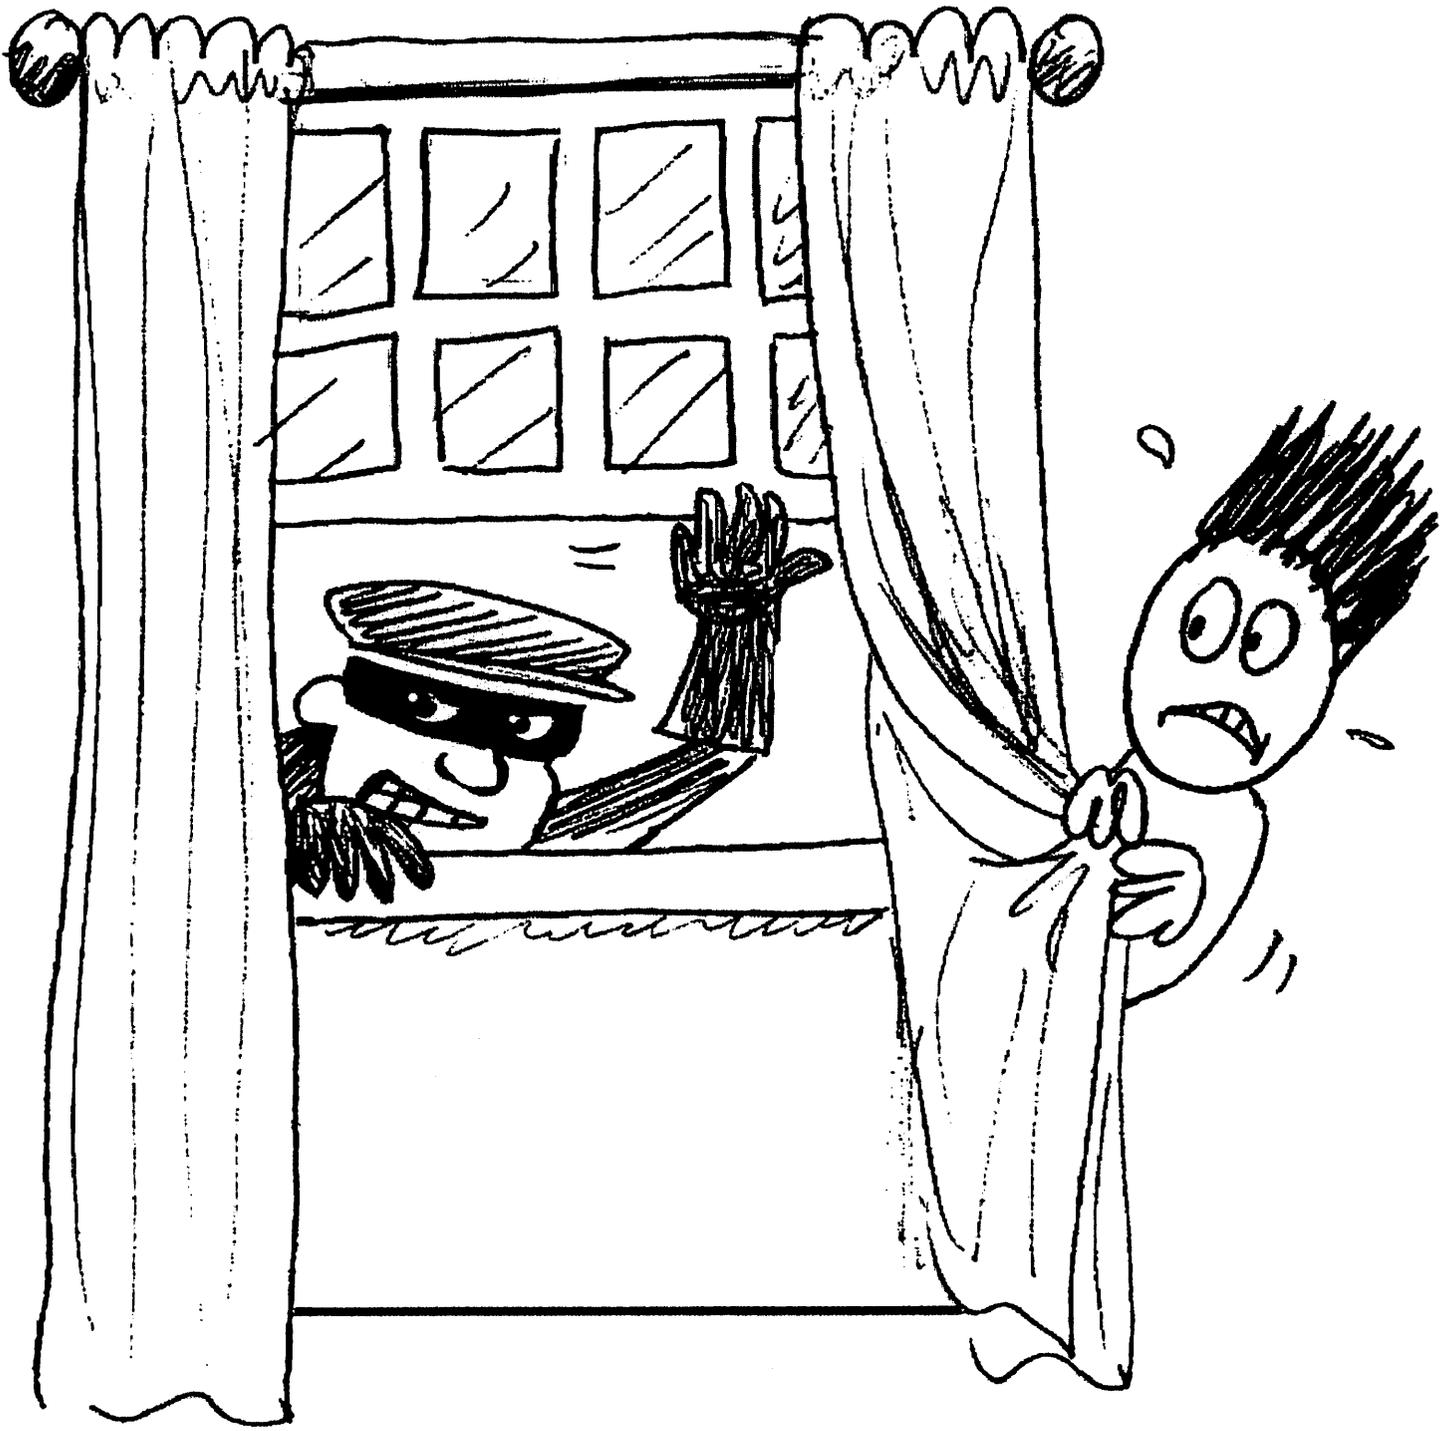

If you fall off the swing and break  
your bone,  
You can get help by using your  
cellphone.

What if you fall off your bike  
and tear more than your shirt,  
What if you hit your head  
And you are really, really hurt?

A cellphone is easy, an ambulance will  
come in the end,  
All you have to do is call 9-1-1-Send!

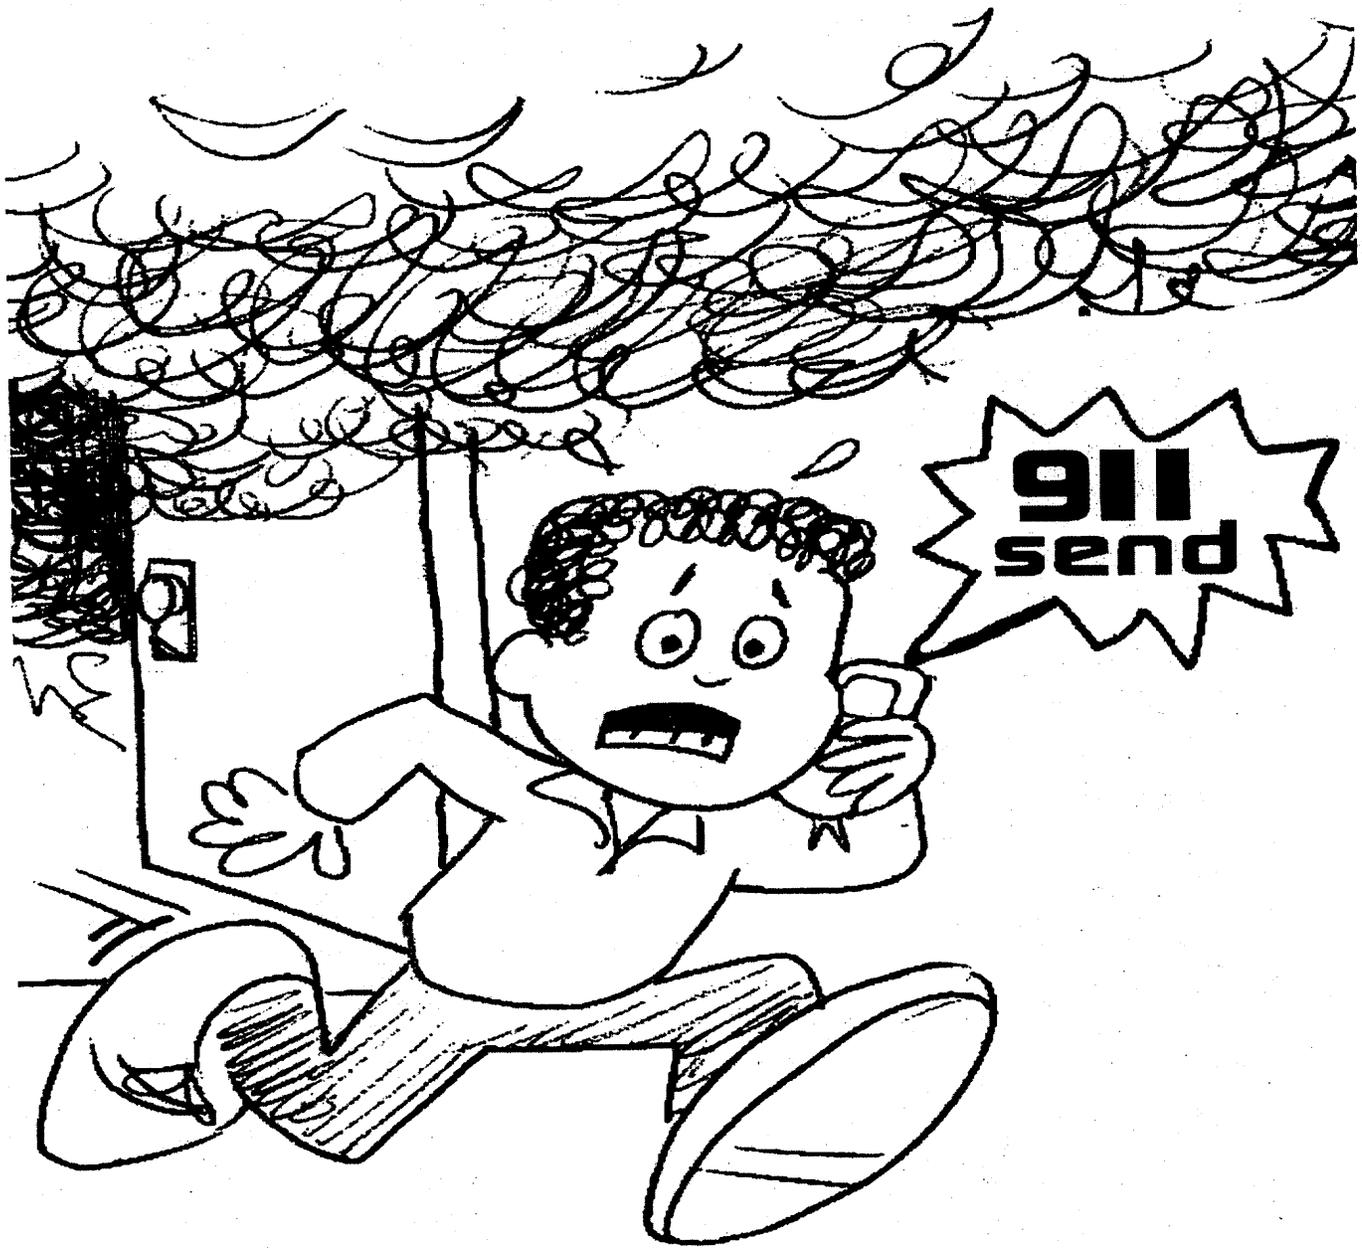

What if you are home with your friends  
and having fun,  
a robber breaks in and you want to run!

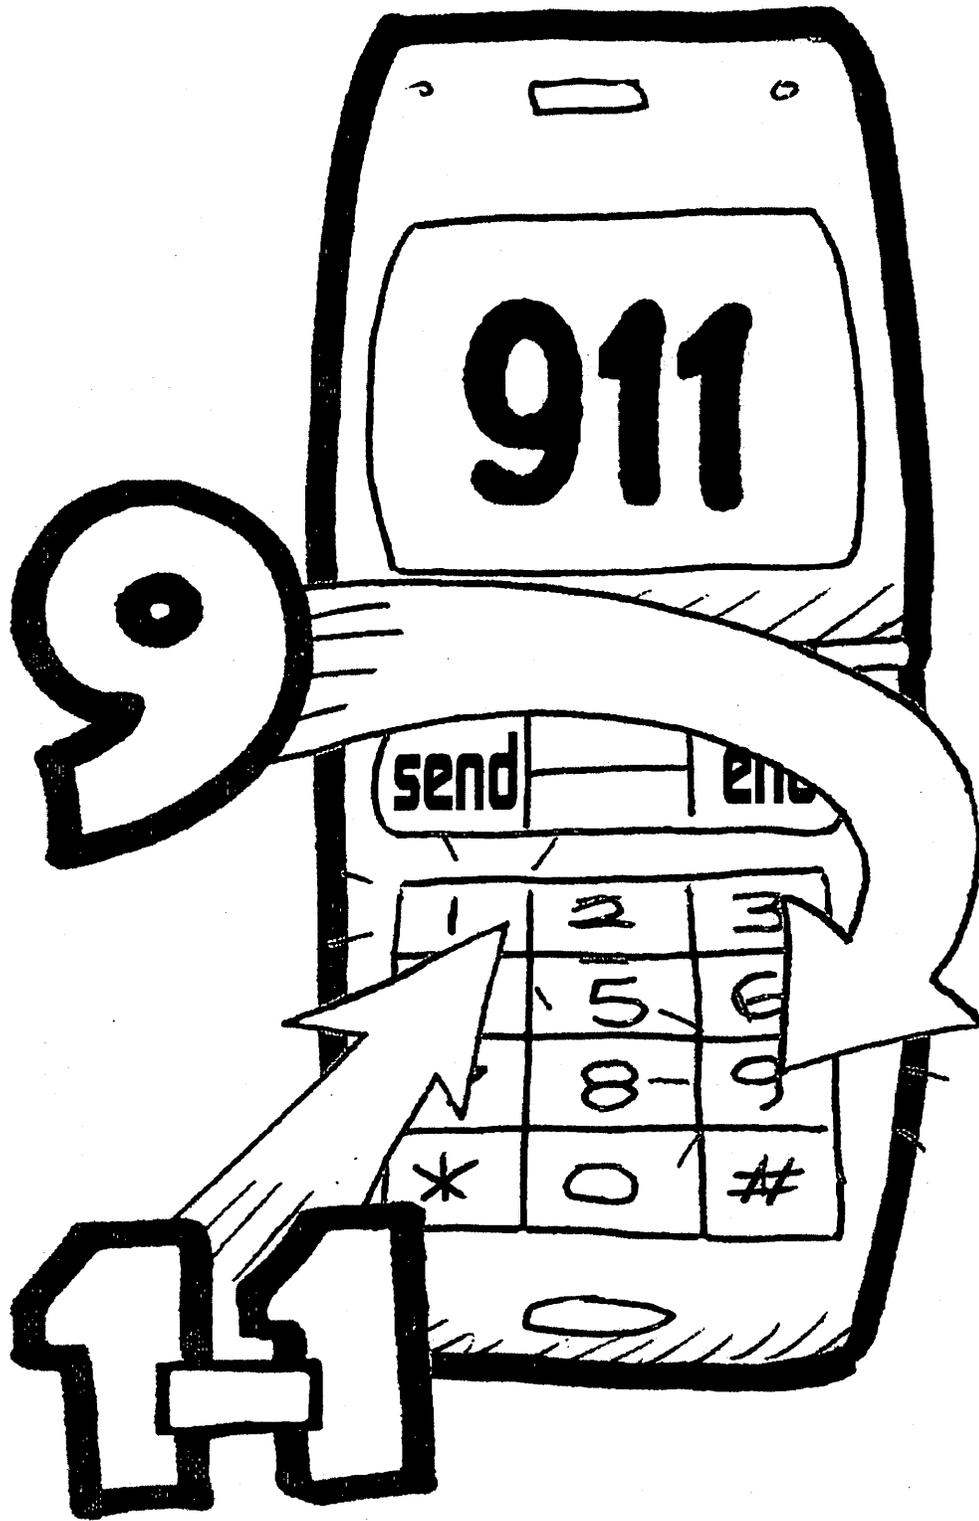

What if the bad guys are doing a crime?  
They are in your house stealing your  
last dime.

Use your cellphone, because the police  
officer is your friend,  
All you have to do is call 9-1-1-Send!

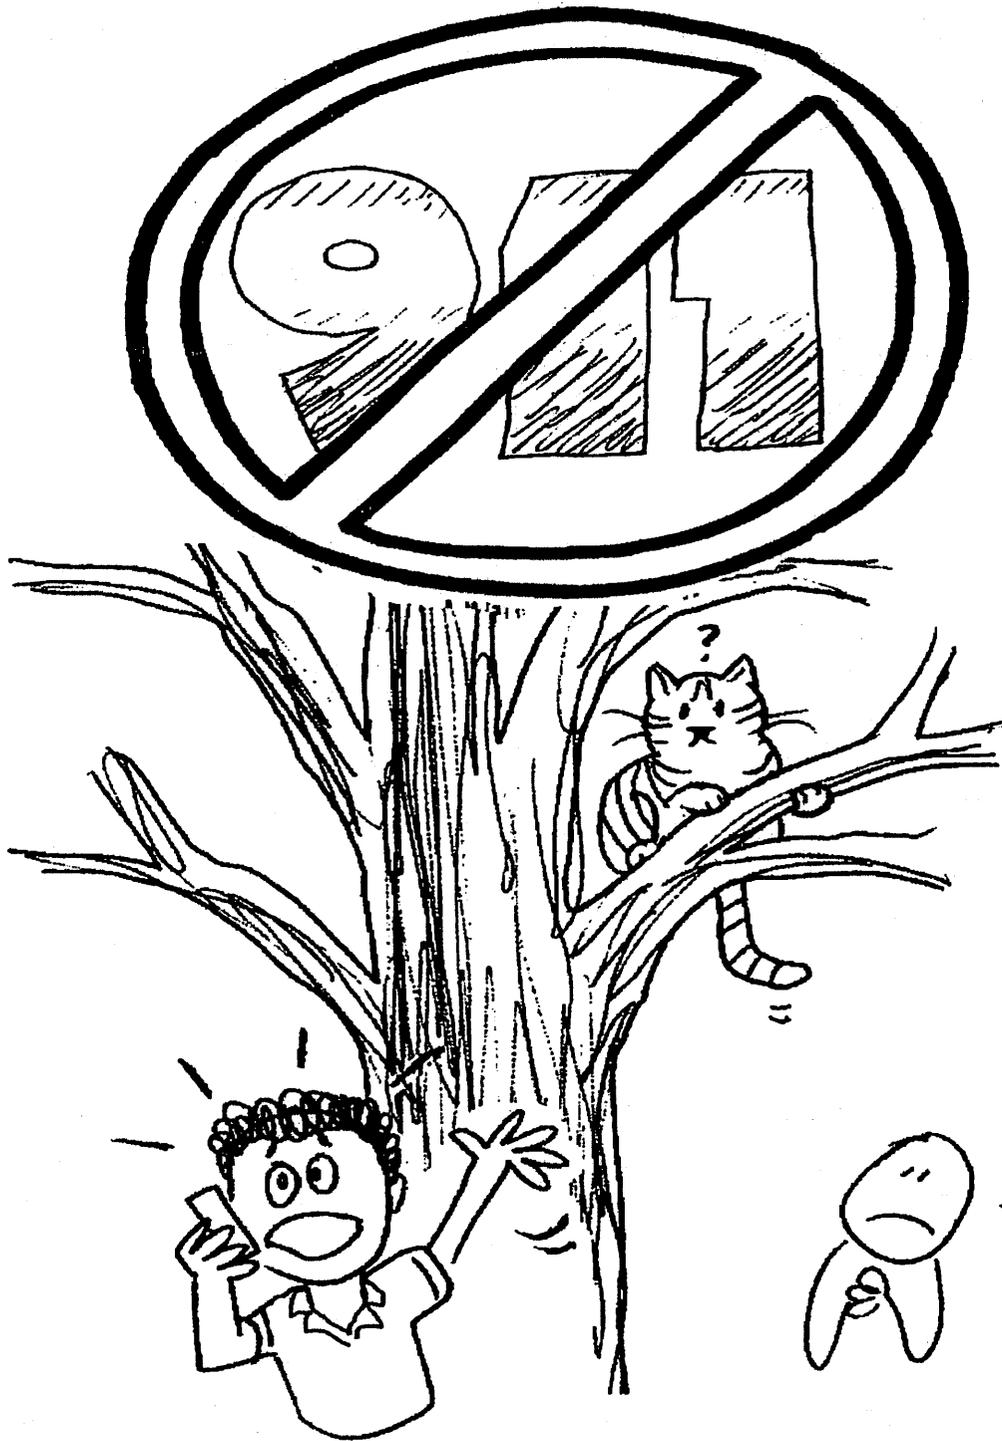

If you happen to see or smell lots of  
smoke,  
You must leave the house or else you  
may choke.

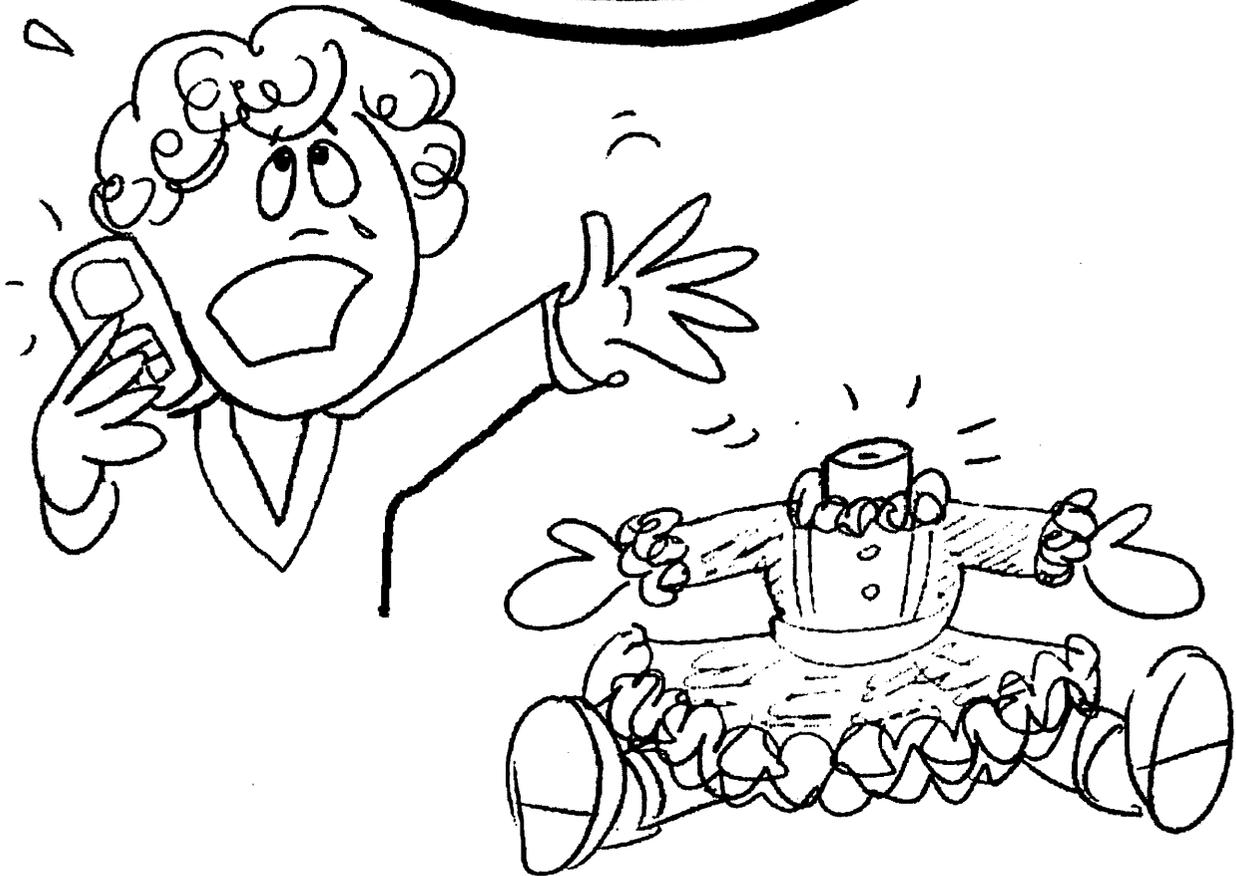

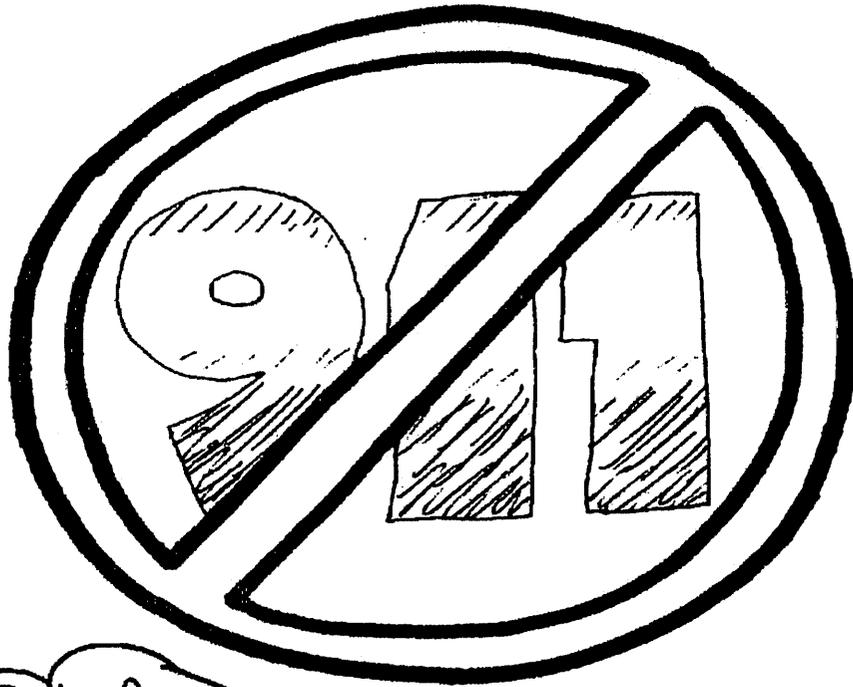

If your cellphone is handy, that will  
be dandy, Do not pretend, for real call  
9-1-1-Send!

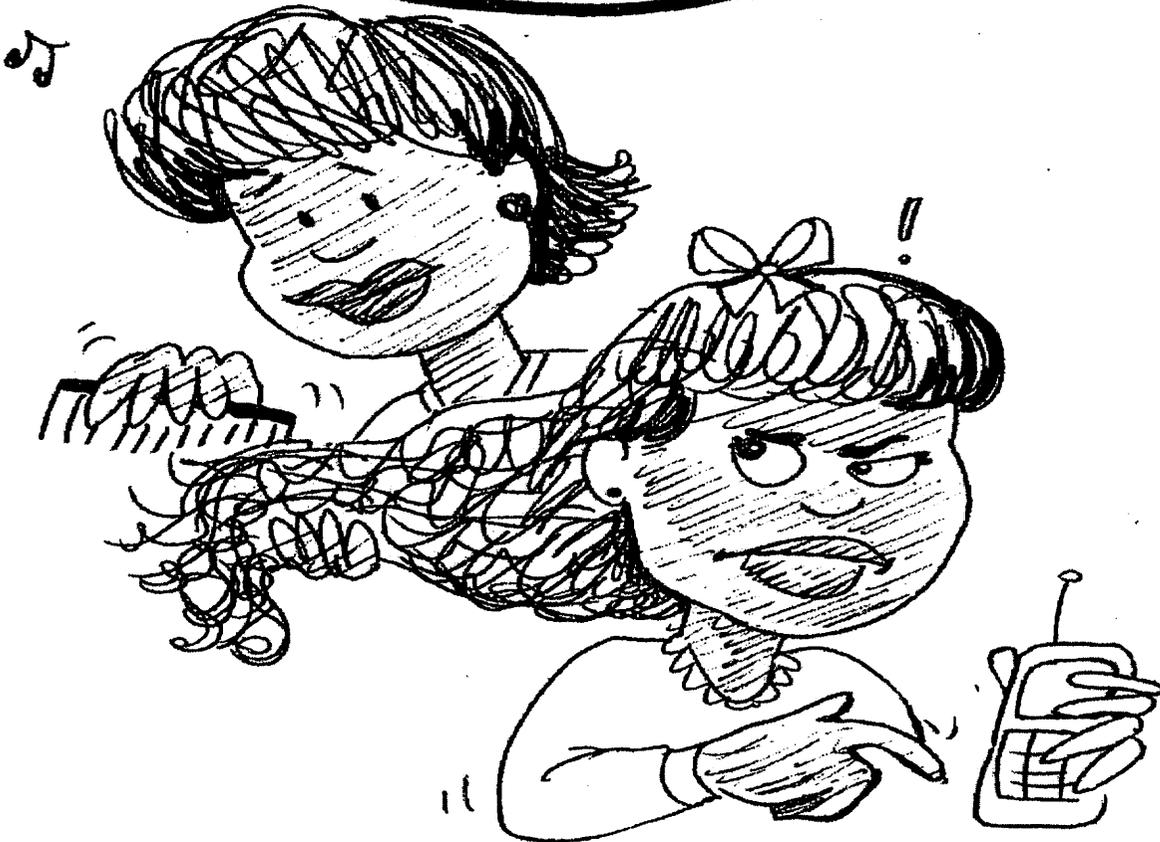

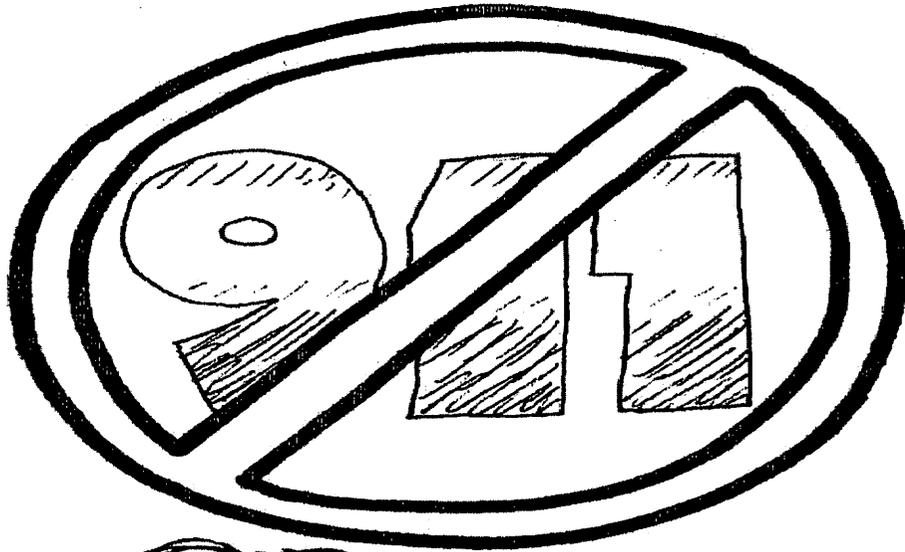

If you see a big bug up on your bed,  
Don't call 9-1-1-Send, please use your  
head!

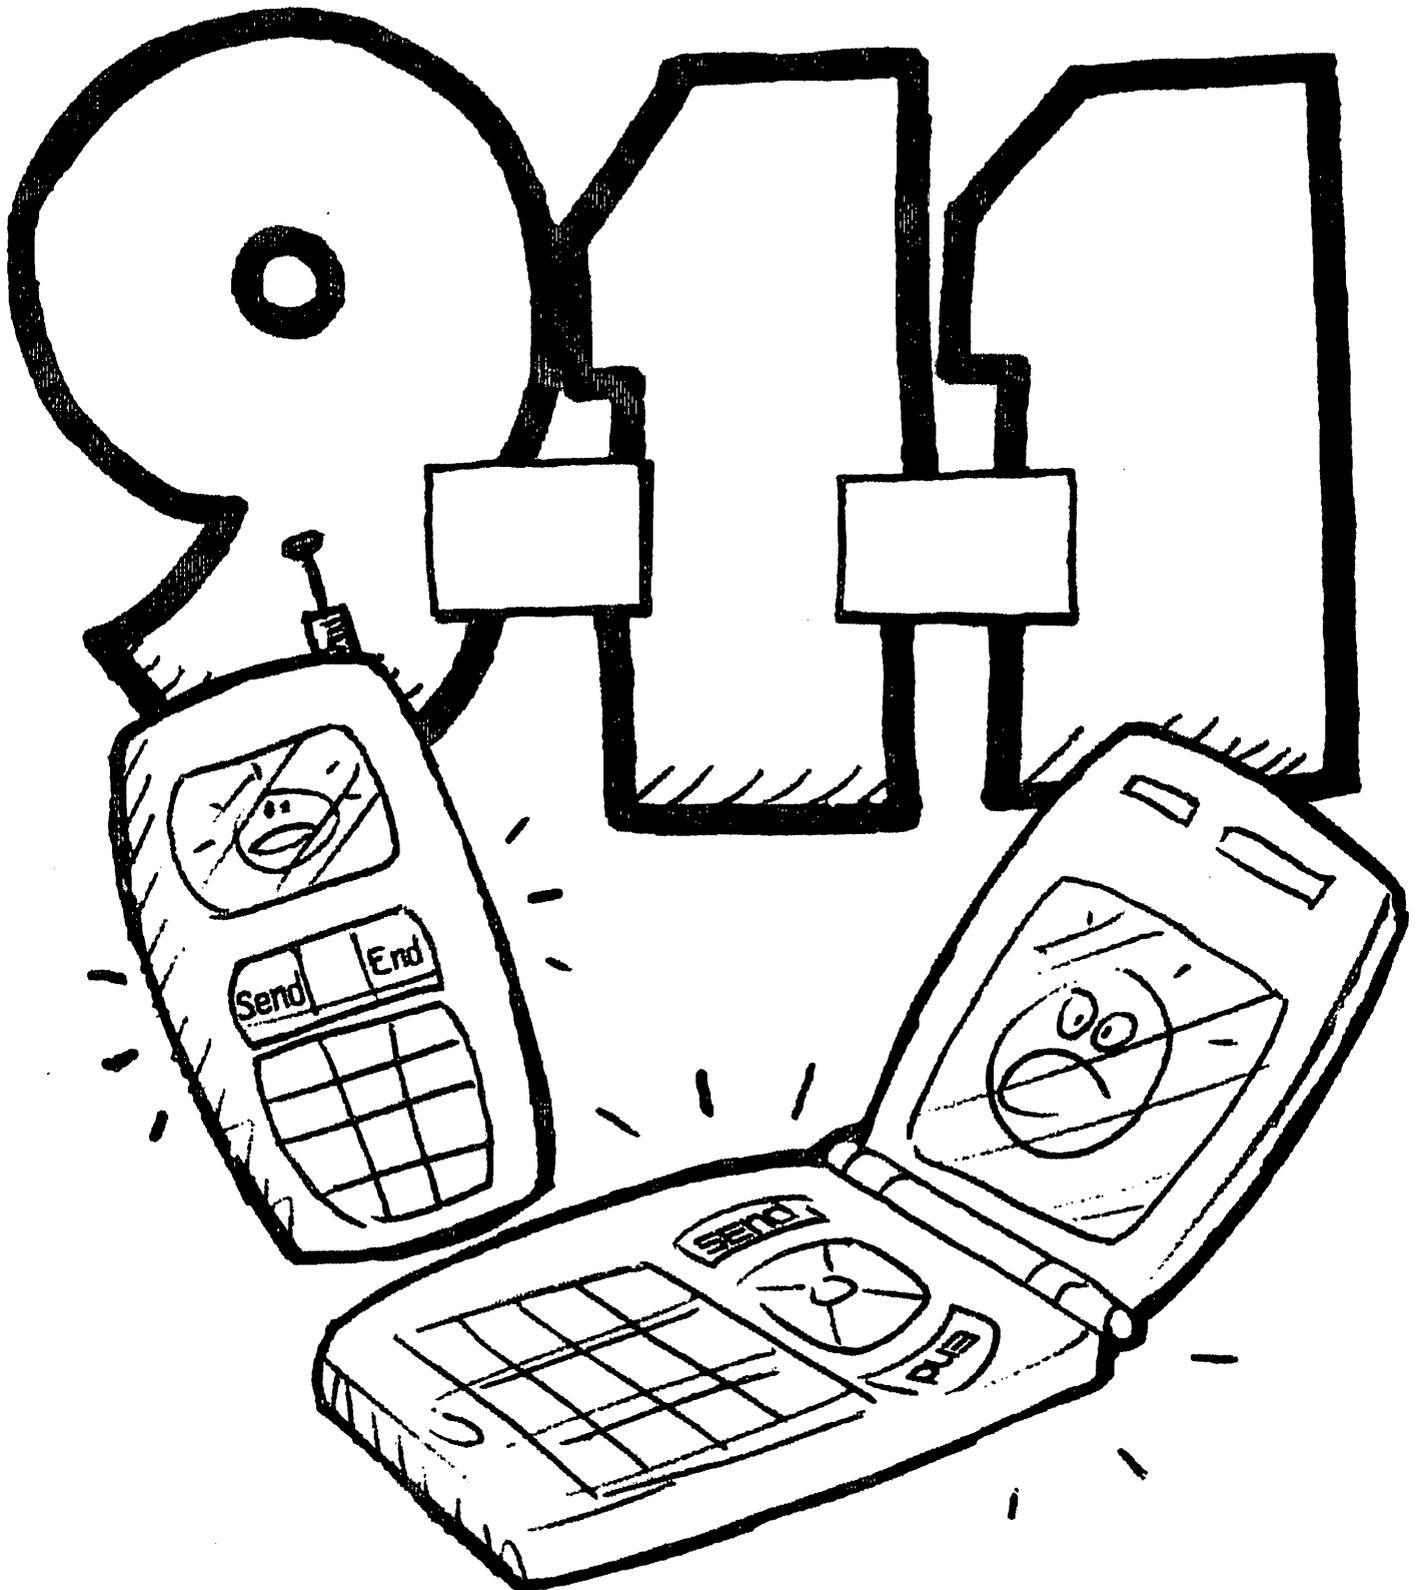

If you see your kitty up high in a tree, Should you call 9-1-1-Send? No siree!

If your favorite toy is missing a part,  
Don't call 9-1-1-Send, now that's being  
smart!

If you don't like the way your mom  
combs your hair,  
Don't call 9-1-1-Send, that wouldn't be  
fair!

So the fire, medical and police are  
your friend, Just remember on your  
cellphone call 9-1-1-Send!
