September Meeting Highlights

Gretchen Krasley ran the meeting. While the number of crimes in our area is somewhat lower, police officers advise us to remain vigilant. Police want us to be aware of continued crimes of opportunity. Thieves ring front doorbells and if there's no answer, break in at back doors of houses. Before leaving your house, try to make it look like you're home. Turn on the TV or radio and turn on lights with timers. If you park your car in a garage and leave the keys in the car thinking your car is safe in a locked garage, think again! Thieves break into garages and drive the cars away! You are advised to lock doors at all times, set alarms if you have them, and lock cars after taking valuable items such as laptops and phones with you. If you are expecting a package and you know you won't be home when it's delivered, ask a neighbor to take care of it for you. Another tip is to secure windows with air conditioners, another entry point for thieves. If you can invest in a light with a motion sensor, it is an added deterrent to crime. We are all reminded not to hesitate to call the non-emergency number (610.437.7751) to report any suspicious activity. Neighbors are still invited to use the Medical Return Box in the lobby of the police station at 10th and Hamilton Streets. Remove prescription labels or blacken your name before depositing in the bin. The lobby is open 24/7.

Tree Planting in Our Neighborhood

On September 22nd, Allentown's Arborist, Rick Howells, talked to interested neighbors about the process of planting and managing trees in our neighborhood.

In order for a tree-planting project to continue, Mr. Howells has to write and receive a grant specifying details about the needs and locations for future tree planting. You'll receive updates in future newsletters about the grant. If accepted, we will be planting later in 2017.
