CHRISTIAN PRINCIPLES in an ELECTION YEAR

Lutherans have historically viewed Government as a divine gift from God, given to protect us, that we may live in peace and secure for ourselves daily bread. In a Presidential election year, a Christian voter must ask “Is our Government working “for all?” “How can I, in this election AND in between elections, help it work better?”

Presenter: Marissa Harris Krey, Staff, Lutheran Advocacy PA.

EVERYONE IS INVITED TO ATTEND. There is no registration fee.

Please register by Feb 20. Questions? Contact Laretta Adams (610-530-1794) or rradams@ptd.net

Event sponsored by the Congregational Unit of WOMEN of the ELCA.
