## March Meeting Highlights

APD Sergeant Leonard reminds us how important it is that the community and the police department work together to resolve neighborhood problems. Police advise us to remain vigilant. Before leaving your house, make it look like you're home. Turn on the TV or radio and turn on lights with timers. See more safety tips on page 2. Don't hesitate to call the non-emergency number (610.437.7751) to report any suspicious activity or crime in progress. Police ask that you email them (email address below) after you call the non-emergency number. Sergeant Leonard reminded us to read his monthly email updates for crime prevention tips. As always, in an emergency, call 9-1-1. You can email Sergeant Leonard with neighborhood concerns at [John.Leonard@allentownpa.gov](mailto:John.Leonard@allentownpa.gov).

- If you have an alarm, do you set the alarm when you leave the house?
- Does your alarm company and the city have updated contact information in case your alarm goes off and they need to contact a keyholder?
- Is your garage locked?
- Is your car locked in your garage?
- Do you have a spare key in your vehicle- bad idea!
- Are the bushes cut down around your house so no one can hide in them?

### Tip for calling 9-1-1

If you hear an intruder in your home, stay where you are and call 9-1-1. You don't have to say anything, just leave the line open and don't hang up. This works with land lines and cell phones alike.
