# Make A Drop Start A Wave

## CLASSROOM POSTER COMPETITION

The City of Allentown is challenging your classroom to MAKE A DROP, START A WAVE by joining our poster competition to raise awareness about the importance of clean water and the environment. The contest is open to grades 5 through 8. Four top prize winners will be awarded - one classroom per grade level throughout the whole City.

*Do not miss the opportunity to win the coveted Finneus the Fish Trophy to proudly display in your classroom*

### Student Guidelines

1. Poster size must be 18" X 24" paper, cut into the shape of a rain/water drop. It is not necessary to use poster stock.
2. The artwork should relay a message about rain/stormwater pollution prevention, stream health, watershed protection, etc.
3. Original artwork please: Posters submitted with licensed characters or images will not be accepted (e.g. SpongeBob or Mickey Mouse).
4. Students may use crayons, paint, color pencils, or markers. No highlighters, photos, or computer graphics are permitted.
5. Students may work individually, or in a group.

### Teacher Guidelines

1. This information should be printed on the back of the poster: a. Student(s) Name(s) b. Grade Level c. School Name d. School Address e. Teacher's Name f. Teacher's Email g. Parent's Name h. Parent's Phone i. Parent's Email
2. Judging: Each classroom will vote on their three (3) favorite designs to submit to the City.
