

Allentown Small Business SPARK Program

Application Process

Apply

Complete the 1-page intake form on the SPARK website. View the questions beforehand online.

Reviewed

The City of Allentown will review your application for eligibility and compliance with all City departments. Any issues will be corrected before approval.

Notified

SBDC will communicate any issues and will notify all applicants of their status. SBDC will serve as single point of contact.

Connected

SBDC will connect the applicant with the technical service providers to schedule consultation. All invoicing will go through SBDC and grantee will not be billed for work.
