

LEO FIREARMS INSTRUCTOR

DUTY HANDGUN, PATROL RIFLE, POLICE SHOTGUN

JUNE 21ST – 25TH, 2027 ALLENTOWN PA \$1200

COURSE DESCRIPTION:

LEO Firearms Instructor is an all-encompassing, Firearms Instructor Certification course that certifies officers to conduct qualifications with the Duty Handgun, Patrol Rifle and Police Shotgun. This class is recognized by PA MPOETC as a primary course to certify Firearms Instructors within the State of Pennsylvania to conduct mandated qualifications at their agencies. This fast-paced curriculum will cover all aspects of becoming a successful Firearms Instructor. Officers will be required to pass multiple phases of evaluation with all three weapons systems. At the completion of this course, participants will be well versed in; understand the functions/roles of the FI, methods of learning, range controls, safety management, conducting mandated qualifications, building data-driven, relevant sustainment programs, COF design, diagnose and correct common performance issues, possess a complete understanding of all common LEO weapons systems & operations, incorporate firearms programs into other areas of LEO Use of Force, and training documentation.
