December Meeting Highlights

Crime Prevention Officer Suzanne Toth was with us to give us tips we can use to be safe in our homes and in our neighborhood. See "How Safe are You?" on page 2. PSA 2 Captain Charles Roca updated us on crimes in our area and emphasized how important it is that the community and the police department continue to work together to resolve neighborhood problems. APD has a core of officers devoted to crisis intervention. Called the Blue Guardian program, two or three days after a person suffers an overdose, police officers and addiction recovery specialists in the Blue Guardian program will make a house call to persuade that person to enter treatment and offer support to families. You can email Captain Roca with neighborhood concerns at charles.roca@allentownpa.gov. Police advise us to remain vigilant. Before leaving your house, make it look like you're home. Turn on the TV or radio and turn on lights with timers. If you park your car in a garage don't leave the keys in the car thinking your car is safe in a locked garage. Lock doors at all times, set alarms if you have them, and lock cars after taking valuable items such as laptops and phones with you. If you are expecting a package and you know you won't be home when it's delivered, ask a neighbor to take care of it for you. Secure windows with air conditioners, an entry point for thieves. If you can invest in a light with a motion sensor, it is an added deterrent to crime. We are all reminded not to hesitate to call the non-emergency number (610.437.7751) to report any suspicious activity or crime in progress. As always, in an emergency, call 9-1-1.

If you see something, say something.

<p>Citizens Helping Eliminate Crime CHEC✓MATE</p>
--

CHEC-Mate, designed by the Allentown Police Department gives Allentown residents a way of calling the police anonymously to report suspicious activity. Request a CHEC-Mate card by calling 610.437.7522 or attending one of our meetings. You will receive your card with a number assigned specifically to you. When you call the communications center, you give only the CHEC-MATE number on your card. CHEC-Mate is a confidential way of reporting crime to help make your neighborhood safer!

Where's my newsletter?

If your neighbors are asking you this, tell them that newsletter delivery to homes ended in December and that they can get the newsletter delivered to their email address. There is a growing list of neighbors who get neighborhood information via email. For your security, all group emails are done as blind copies. No one else in the email group will see your email address. Also available via email at any time are phone numbers, the new neighbor tip sheet, new crime prevention tips from APD, or other recurring newsletter pieces. Email gretchenkrasley@gmail.com to be added to the list.

Tip for calling 9-1-1

If you hear an intruder in your home, stay where you are and call 9-1-1. You don't have to say anything, just leave the line open and don't hang up. This works with land lines and cell phones alike.
