## October Meeting Highlights

APD Sergeant Leonard recommends how important it is that the community and the police department continue to work together to resolve neighborhood problems. Police advise us to remain vigilant. Before leaving your house, make it look like you're home. Turn on the TV or radio and turn on lights with timers. See additional safety tips on page 2. We are all reminded not to hesitate to call the non-emergency number (610.437.7751) to report any suspicious activity or crime in progress. Police ask that you email them (email addresses below) after you call the non-emergency number. Sergeant Leonard reminded us to read his monthly email updates for crime prevention tips. Check out the You Tube "Allentown Police on the Road" for Chief Roca's updates on crime city-wide and on programs with the community. In this month's episode, Chief Roca honored all veterans and spotlighted the current officer recruitment period ending on December 15th. If you're interested in becoming an officer, visit [www.allentownpa.gov/Human-Resources/Civil-Service\\_Employment](http://www.allentownpa.gov/Human-Resources/Civil-Service_Employment). As always, in an emergency, call 9-1-1. You can email Sergeant Leonard with neighborhood concerns at [John.Leonard@allentownpa.gov](mailto:John.Leonard@allentownpa.gov).

**Remember: If you see something, say something.**

### Citizens Helping Eliminate Crime **CHEC-MATE**

## How safe are you?

Here's a list of crime prevention tips in the form of questions that Crime Prevention Officer Toth shared at a recent meeting. They will guide you toward making your property safer from crime.

- Do you have any motion lights outside around your house and garage?
- Did you leave a porch light on while you're away?
- Did you lock your doors and windows?
- If you have an alarm, do you set the alarm when you leave the house?
- Does your alarm company and the city have updated contact information in case your alarm goes off and they need to contact a keyholder?
- Is your garage locked?
- Is your car locked in your garage?
- Do you have a spare key in your vehicle- bad idea!
- Are the bushes cut down around your house so no one can hide in them?
- When going on vacation- did you notify your neighbors and police department to do a vigilance check of your property.
- Do you have any lights on timers in your house?
- If its winter now, did you remove any window air conditioners?

**Remember: If you see something, say something!**

## Tip for calling 9-1-1

If you hear an intruder in your home, stay where you are and call 9-1-1. You don't have to say anything, just leave the line open and don't hang up. This works with land lines and cell phones
