112.01 Purpose

The purpose of this policy is to assure compliance with the Pennsylvania Right-to-Know Law (the "Law"), Act 3 of 2008, 65 P.S. Section 67.101 et. seq. which fully takes effect on January 1, 2009, to provide access to public records of the City of Allentown (the "City"), to preserve the integrity of the City's records and to minimize the financial impact upon the residents of the City regarding the resources utilized in the receipt and processing of public record requests and the retrieval and copying of public records. (14679 §1 1/16/09)

112.02 Regulations

A. The City designated the City Solicitor's Office as the Open Records Officer under Law.

B. All requests for records shall be in writing on the City's Public Record Review/Duplication Request Form, which is part of this Ordinance. No verbal or anonymous verbal or written requests for records will be honored. Written requests may be submitted to the Solicitor's Office in person, by mail, by facsimile or by email.

C. The written request must describe the record(s) sought with specificity to enable the City to identify and locate the record requested.

D. The City may made records available on its website. If the person requesting the record is unable or unwilling to access the website, the person may, within 30 days notice by the City that the record requested is posted on the website, request, in writing, to have the City convert the record to paper. The City will provide the paper record to the person so requesting within 5 days of the request.

E. Requests need not include an explanation of the reason for the request for records or the intended use of the information unless otherwise provided by law.

F. The City is not required to create a record which does not currently exist. The City is not required to maintain, compile, format or organize a record in a way in which it currently does not do so.

G. Records shall be accessible for inspection and copying in the medium requested, if available. If not, the record will be provided in the medium in which it exists.

H. Records will be made available for inspection in the office of the City Department in charge of keeping the record(s) requested during regular business hours from 8:00 am to 4:30 pm. The presence of a City employee is required at all such times as public records are being inspected and examined.

I. No access to a City or individual employee computer will be permitted.

J. The City may deny access to a record if the person making the request has made repeated requests for the same record and such repeated requests have placed an unreasonable burden on the City.

K. A record not in the possession of the City but which is in the possession of a party with whom the City has contracted to perform a government function on behalf of the City and which directly relates to the government function and is not exempt under the Law shall be considered a public record subject to disclosure under the Law.

L. Trade Secrets. Any person who provides documents to the City may designate, in writing, that the document contains a trade secret or confidential and proprietary information. If a request is made for a record which contains such a designation, the third party who submitted the record containing a trade secret or confidential and proprietary information to the City and made the designation will be notified and will have input on whether or not the record containing such information will be released. (Example: Information submitted in response to competitive bidding requirements).

M. If the City's response to a request for records states the requested records are available for delivery (i.e. pick up) at the Solicitor's Office and the person who requested the records fails to retrieve the records within 60 days of the City's response, the City may dispose of any copies which have not been retrieved and may retain any fees paid to date.

N. If the City's response grants a request for access, the City shall, upon request, provide a certified copy of the record if the person who requested the record pays the applicable fee for certification. (14679 §1 1/16/09)

122.03 Definition of Public Record

A record in the possession of the City is presumed to be a public record subject to disclosure unless:

A. The record is exempted from disclosure under any one or any combination of the thirty (30) exemptions under the Law;

B. The record is protected by privilege;

C. The record is exempt from disclosure under any other Federal or State law or regulation or judicial order or decree;

D. The City's Open Records Officer (the Solicitor's Office) determines the public interest favoring access outweighs any individual, agency or public interest that may favor restriction on access. If the City produces a record which is not a public record by definition under this subsection, the City will notify the third party who supplied the record to the City. (14679 §1 1/16/09)

112.04 Procedure

A. General Rule. Upon receipt of a written request for access to a record, the City shall make a good faith effort to determine if the record requested is a public record and whether the City has possession, custody or control of the identified record, and to respond as promptly as possible under the circumstances existing at the time of the request. All applicable fees shall be paid in advance in order to receive access to the record requested. The time for the City's response shall not exceed 5 business days from the date the written request is received by the Solicitor's Office of the City. If the City fails to send a response within 5 business days of the receipt of the written request for access, the written request for access shall be deemed denied.

B. Extension of Time.

1. Upon receipt of a written request for access, the City Solicitor's Office shall determine whether one of the following applies:

a. The request requires redaction (i.e. non-public information blocked or blacked out) of a record as provided in Section 3, below;

b. The request requires the retrieval of a record stored in a remote location;

c. Timely response to the request cannot be accomplished due to bona fide and specified staffing limitations;

- d. A legal review is necessary to determine whether the record is a record subject to access under the Law;
- e. The person requesting the record has not complied with the City's policies regarding access to records;
- f. The person requesting the record refuses to pay applicable fees authorized by the Law and this Ordinance;
- g. The extent or nature of the request precludes a response within the required time period.

2. Upon a determination that one of the factors listed in subsection 1, above, applies, the Solicitor's Office shall send written notice to the person making the request within 5 business days of receipt of the request for access which will include a statement notifying the person making the request that the request is being reviewed, the reason for the review, a reasonable date the response is expected to be provided and an estimate of the applicable fees owed when the record becomes available. If the date a response is expected to be provided is in excess of 30 days, following the 5 business days allowed for a response, the request for access shall be deemed denied, unless the person making the request agrees, in writing, to an extension to the date specified in the City's notice of review. If the person requesting the record agrees to an extension, the request shall be deemed denied on the day following the date specified in the notice if the City has not provided its response by that date.

3. Redaction.

If the City determines that a public record contains information which is subject to disclosure as well as information which is not subject to disclosure, the City's response shall grant access to the information which is subject to disclosure and deny access to the information which is not subject to disclosure. The City will not deny access to the record if the information which is not subject to disclosure is able to be redacted (i.e. non-public information blocked or blacked out). Information which the City redacts in accordance with this subsection shall be deemed a denial of the request for the record

C. Denial.

If the City's response is a denial of a written request for access, whether in whole or in part, the City will issue a written denial which shall include:

- 1. A description of the record requested;
- 2. The specific reasons for the denial, including a citation of supporting legal authority;
- 3. The typed name, title, business address, business phone number and signature of the Assistant City Solicitor on whose authority the denial is issued;
- 4. Date of response;
- 5. The procedure to appeal the denial under the Law. (14679 §1 1/16/09)

112.05 Appeal Rights

A. If a written request for access to a record is denied or deemed denied, the person making the request may file an appeal to Terry Mutchler, Esquire, Executive Director, Office of Open records, Commonwealth Keystone Building, 400 North Street, Plaza Level, Harrisburg, Pennsylvania 17120-0225 within 15 days of the mailing date of the City's response or within business 15 days of a deemed denial. The appeal shall state the grounds upon which the person making the request asserts that the record is a public record and shall address any grounds stated by the City for denying the request. The Appeals Officer designated by the Executive Director of the state Office of Open Records, who is authorized to hold a hearing, if he or she deems appropriate, shall issue a final determination on behalf of the Office of Open Records on the City's action.

B. The District Attorney for Lehigh County, James B. Martin, Esquire, Lehigh County Courthouse, 455 West Hamilton Street, Allentown, Pennsylvania 18101-1614, shall designate one or more appeals officers to hear appeals relating to access to criminal investigative records in possession of the City. The designated appeals officer shall determine if the record requested is a criminal investigative record. (14679 §1 1/16/09)

112.06 Judicial Review

A. Within 30 days of the mailing date of the final determination of the state Appeals Officer relating to the City's decision or of the date a request for access is deemed denied, the person making the request or the City may file a petition for review with the Court of Common Pleas of Lehigh County. The decision of the Court will contain findings of fact and conclusions of law based upon the evidence as a whole. The Court shall clearly and concisely explain the rationale for its decision.

B. The filing of a petition for review shall stay the release of records until a decision by the Court is issued.

C. The City, the person making the request for records and the state Office of Open Records shall be given notice of the filing of a petition for review with the Court of Common Pleas of Lehigh County and each shall have an opportunity to respond in accordance with the Rules of Court.

D. The record before the Court of Common Pleas of Lehigh County shall consist of the request for access, the City's response to the request, the appeal filed with the state Office of Open Records, the transcript of the hearing held by the state Appeals Officer, if any, and the final determination of the state Appeals Officer. (14679 §1 1/16/09)

112.07 Fees

A. The fee structure established by the state Office of Open Records is adopted, as required by the state, by the City as follows:

1. Photocopies: (Defined as either a single-sided copy or one side of a double-sided black-and-white copy of a standard 8.5" x 11" page) -- \$ 0.25 per page

2. Certification of a Record: (Exclusive of notary fees) -- \$1.00 per record, not per page

3. Specialized Documents: (For example, but not limited to, blueprints, color copies, non-standard sized documents) – Actual cost

4. Facsimile/Microfiche/Other Media: -- Actual cost

5. Conversion to Paper: If a record is only maintained electronically or in other non-paper media, duplication fees shall be limited to the lesser of the fee for duplication on paper or the fee for duplication in the original media, unless the person making the request specifically requests for the record to be duplicated in the more expensive media

6. Postage Fees: Actual cost.

B. If a separate statute authorizes the City to charge a set amount for a certain type of record, the City may charge no more than the statutory amount.

C. If requested records contain both public and non-public information and the City redacts the non-public information, the City will charge the person making the request for the copies it must make of the redacted information in order for the person making the request to view the public record at the Fee Structure outlined in Section A, above. If, after inspecting the records, the person chooses to obtain the copies, no additional fee will be charged.

D. The City may establish user fees for enhanced electronic access to public records, as pre-approved by the state Office of Open Records, by Resolution, from time to time.

E. Except as otherwise provided in this Article 122.06, no other fees may be imposed under the Law unless the City incurs costs for complying with a request and such fees are reasonable.

F. Prepayment: Prior to granting a request for access under the Law, the City will require a person making the request to prepay an estimate of the fees authorized under this Article 112.06 if the fees required to fulfill the request are expected to exceed \$ 100.00. All fees, in any amount, shall be paid prior to the City's release of any requested records.

G. The City may, in its discretion, waive the payment of fees. (14679 §1 1/16/09)

B. Bidding Process

1. *Whenever the estimated cost of any construction, erection, installation, completion, alteration, repair of, or addition to, any project subject to the control of the City shall exceed Forty Thousand (\$40,000) Dollars; it shall be the duty of the City to have such work performed pursuant to a contract awarded to the lowest responsible bidder, after advertisement for bids. Every such contract shall contain a provision obligating the contractor to the prompt payment of all material furnished, labor supplied or performed, rental for equipment employed, and services rendered by public utilities in or in connection with the prosecution of the work, whether or not the said material, labor, equipment or service enter into and become component parts of the work or improvement contemplated. Such provision shall be deemed to be included for the benefit of every person, partnership, association or corporation who, as subcontractor or otherwise, has furnished material, supplied or performed labor, rented equipment or services in or in connection with the prosecution of the work as aforesaid, and the inclusion thereof in any contract shall preclude the filing by any such person, partnership, association or corporation of any mechanics' lien claim for such material, labor or rental of equipment. This provision is intended to make unlawful the practice of evading advertising requirements by making a series of purchases or contracts, each for less than the advertising requirement price, or by making several simultaneous purchases or contracts, each below said price, when, in either case, the transactions involved should have been made as one transaction for one price. (Art. VIII, §815; 13596 §1 8/21/97; 14684 §1 2/23/09)*

b. *Written or telephonic price quotations from at least three (3) qualified and responsible contractors or vendors shall be requested for all contracts that exceed Ten Thousand (\$10,000) Dollars but are less than the amount requiring advertisement and competitive bidding or, in lieu of price quotations, a memorandum shall be kept on file showing that fewer than three (3) qualified contractors exist in the market area within which it is practicable to obtain quotations. telephonic price quotations shall be made and shall contain at least the date of the quotation, the name of the contractor and the contractor's representative, the construction, reconstruction, repair, maintenance or work which was the subject of the quotation and the price. Written price quotations and written records of telephonic price quotations and memoranda shall be retained for a period of three (3) years. (Art. VIII, §815; 14684 §1 2/23/09)

(Art. VIII, §815)

Emergency purchases shall be determined by the Mayor, Managing Director, or designee and within one week after the purchase of any goods, equipment or services described in the above, the Finance Director shall submit to the City Controller a report detailing the justification for excluding said purchase from advertised bidding requirements, the vendor selected for the purchase, the price paid for the goods, equipment or services purchased, and any additional information as the City Controller may require. (13596 §2 8/21/97; 14684 §1 2/23/09)

Article 140.01 Introduction

The City of Allentown operates under a Home Rule Charter adopted by the Allentown voters on April 23, 1996. Article VI, Personnel System, Section 603, Personnel Code, calls for City Council to enact a Personnel Code for all City employees. The Personnel Code may, from time to time, be amended, as needed to keep the information contained herein current.

The Personnel Code, heretofore referred to as Employee Policy & Procedures Manual, is constructed to provide basic information on all policies and benefits for the City of Allentown employees. The Employee Policy & Procedure Manual does not attempt to address all provisions contained in the three union contracts; F.O.P. (Fraternal Order of Police), I.A.F.F. (International Associations of Fire Fighters), and S.E.I.U. (Service Employees International Union).

Although this manual applies to all City employees, for those employees who are members of a collective bargaining unit, where the terms of the collective bargaining agreement conflict with the manual, those agreements supersede this manual. In addition, the City's Police Officers are also obligated to adhere to the Police Department's Rules and Regulations, as well as the Police Civil Service Board Rules and Regulations, and the City's Firefighters are also obligated to adhere to the Fire Department Rules and Regulations as well as the Firefighters' Civil Service Board Rules and Regulations. The City's Paramedics and staff of emergency medical services are obligated to adhere to that department's rules, regulations and standard operating procedures.

The language of this manual and the rules and policies stated in it are not intended to create, nor are they to be considered to constitute a contract between the City and one or all of its employees. Nothing herein shall be construed or interpreted to alter the "at-will" employment relationship. These policies and rules are not permanent. If circumstances arise which warrant consideration of a change in policies or procedures, employees should bring such circumstances to the attention of their manager. This manual and the policies and procedures contained in it are subject to change at any time at the discretion of the City of Allentown.

Article 140.02 Statement of Purpose

This manual was created in accordance with the Chapter 11 Allentown City Home Rule Charter Article VI II.6-603.

The purpose of this manual is to provide a ready reference source for the City of Allentown's employee policies and is written to be a usable guidebook for all managerial and supervisory staff. This manual not only outlines City policy regarding the various phases of the employer-employee relationship, but it also indicates how policy is to be administered. Consequently, each supervisor should use this manual as a guidebook when City policy is to be applied in a given situation. This manual incorporates the City Human Resources AIM regulations.

The policies herein do not constitute an employment contract or any expectation of or right to continue employment. City employees are considered "at will" employees, unless employment rights are conferred under a collective bargaining agreement or Civil Service.

Article 140.03 Non-Discrimination Policy Statement of City of Allentown

Additionally, for purposes of overtime compensation and time-keeping requirements, the City of Allentown employees will be categorized as exempt or non-exempt employees as follows:

Exempt: An exempt employee is an executive, administrative, or professional employee who is exempt from the overtime provisions of the Fair Labor Standards Act (i.e., an exempt employee is not eligible for overtime compensation pursuant to the Fair Labor Standards Act).

Non-Exempt: A non-exempt employee is an employee who is subject to the overtime provisions of the Fair Labor Standards Act (i.e., a non-exempt employee is eligible for overtime compensation pursuant to the Fair Labor Standards Act).

B. Pay Period

The workweek at the City of Allentown runs from Saturday and ends the following Friday, with two (2) work weeks in each pay period. Employees are generally paid bi-weekly on every other Friday. The work period for bargaining unit employees, Fire Fighters, and Police Officers shall be in accordance with their respective contractual agreements. Each paycheck will include earnings for work performed through the end of the previous pay period. Various mandatory deductions are withheld from each regular paycheck.

State and federal withholding taxes (income taxes), depending upon income and number of dependents, are regularly deducted and periodically transferred to the Internal Revenue Service and the State Tax Commission. Social Security (F.I.C.A) taxes are deducted and deposited with the federal government. In addition, all garnishments and employee-authorized deductions (i.e. health insurance contributions, flexible spending deductions, 457 Plan contributions, pension contributions) are also automatically withheld from each regular paycheck.

In the event that a regularly scheduled payday falls on a Federal banking holiday, employees will be paid on the last scheduled day of work before the regularly scheduled payday.

C. Timekeeping Procedures

Accurately recording "time worked" is the responsibility of every City employee. Federal and state laws require that the City keep an accurate record of "time worked" in order to calculate employee pay and benefits. "Time worked" includes all time actually spent on the job performing assigned duties.

It is the responsibility of the manager/supervisor to make certain that no work is performed by a non-exempt employee prior to his or her regular working hours, during lunch, during unpaid breaks, after working hours, or during personal time off.

All hours and changes must be entered by the individual bureau into the Activity Entry screen by no later than Monday at 10:00 a.m. of a pay week except when notified of a special time due to a City holiday. After the entries are completed, the Bureau must run the Activity Audit Report to verify entries and confirm that there are no errors. In most cases, the bureau can correct the error and re-run the report. Otherwise, the bureau is responsible to alert the Payroll Specialist of the error.

The Bureau is required to fax the Activity Audit Report of Earnings Section by Hour Type with the Home Department indicated on the top left hand corner to Human Resources at (610) 437-7675 after the manager, or designee has reviewed and signed the report. The purpose of this fax is to confirm that the individual bureau entry is completed and that there are no errors. The original completed report is forwarded to the Department Director for review and signature before sending it to Human Resources.

The Employee Leave Balance Report should be printed after running the Activity Audit Report. These reports cannot be printed from Eden once the payroll process is started by the Payroll Specialist. No changes may be made on the activity audit screen after 10:00 a.m. on the Monday of a pay week. Any additions or corrections that were missed may be corrected in another pay period by entering the specific date, hour type and hours.

D. Work Schedules

The City of Allentown standard working hours for non-uniformed personnel are from 8:00 a.m. to 4:30 p.m., Monday through Friday, 8 hours per day exclusive of allowed lunch period of 30 minutes, 40 hours per week, unless otherwise directed or approved by the Supervisor. These hours do not pertain to continuous operations.

Exceptions – At times the above conditions may differ. Schedules may be broken in times of emergency, weather threatening conditions or simply at the will of the City.

In order to ensure proper staffing levels at all times, employees of the City of Allentown are required to provide daily notice to their immediate supervisor regarding their arrival and departure from work. In the event that an employee's immediate supervisor is unavailable, notice to any other supervisor in the office will be sufficient for this purpose.

All regular, full-time employees are provided with an un-paid, 30 minute lunch period each workday. Employees are expected to return from lunch breaks on time. Employees who repeatedly report back to work late from their lunch break will be subject to disciplinary action, up to and including termination.

Absent special approval from the employee's immediate supervisor, employees are not permitted to work through their lunch period in order to make up lost time due to tardiness or out-of-the-office appointments. Likewise, employees are not permitted to work through their lunch period in order to leave work early.

a. Uniformed – Refer to the respective Collective Bargaining Agreements for work schedules.

E. Overtime

On occasion, non-exempt City employees (i.e. employees paid on an hourly basis) may be required to work overtime hours. When possible, advance notification of overtime assignments will be provided.

Any time actually worked by an employee in excess of forty (40) hours per week is considered overtime. Non-exempt employees shall be paid for overtime at one and a half times the employee's regular rate of pay. All overtime, however, must be pre-approved by the employee's immediate supervisor. For purposes of overtime calculations, time taken as sick hours are not counted as time worked for computing overtime.

Employees who anticipate the need for overtime to complete the week's work must notify the supervisor in advance and obtain approval prior to working hours that extend beyond their normal schedule.

Refusal to work scheduled overtime or overtime worked without prior authorization may result in disciplinary action, up to and including termination of employment.

Compensatory Time in Lieu of Overtime Payment - Non-bargaining unit positions which are considered non-exempt in accordance with the Fair Labor Standards Act overtime provisions are generally considered hourly positions. Employees in these positions are eligible for overtime pay or compensatory time calculated at a time and one-half rate for excess hours worked over forty (40) in one (1) workweek. The minimum compensatory time is not to exceed 240 hours for non-uniformed and 480 hours for uniformed police.

Compensatory time in lieu of overtime pay must be agreed to by both the City and the employee beyond forty (40) hours in one (1) week.

Management positions which are considered exempt from the Fair Labor Standards Act overtime provisions are considered salaried positions. Employees are expected to work as many hours as necessary to complete their job duties, whether or not they exceed or fall short of the time periods in which hourly employees are scheduled.

F. Shift Differential – Overtime

Bargaining unit employees are paid in accordance with collective bargaining unit provisions. Eligible non-bargaining unit employees will follow the current SEIU contract shift differential rate. When computing overtime, shift differential, and longevity pay, the amount shall be included with the employee's regular hourly rate of pay.

G. Overpayment – Payroll

If an employee is over-paid, he shall be required to repay the City. A repayment schedule will be established with Human Resources. The length of the payment schedule may not exceed the time period during which the error occurred. Calculations will be based on the amount of the overpayment divided by the number of pay periods in which the error continued. However, the minimum bi-weekly payment shall never be less than \$50.00/pay unless it can be repaid in a smaller one-time payment.

It is the employee's responsibility to ensure the accuracy and correctness of their pay and information on their individual pay stub.

Article 140.06 Commercial Driver's License (CDL)

Since the federal and state governments have passed legislation requiring a CDL (Commercial Driver's License), most Municipal City workers are required to possess a CDL in order to operate specific City vehicles or equipment.

The City of Allentown may reimburse non-bargaining unit employees for applicable renewal CDL license fees.

Article 140.07 Promotions and Transfers

All promotion and transfer decisions are made in accordance with the City of Allentown's Equal Employment Opportunity Policy. As such, all decisions are based solely upon merit and qualifications.

The City of Allentown endeavors to transfer and promote employees from within its existing workforce whenever possible. To this end, most job openings are internally posted by the City of Allentown.

Management reserves the right to post internally, externally or both. All vacancies or new jobs may be posted on all bulletin boards for a period of seven (7) business days and be awarded to the employee who has the capability to perform the work. Capability shall be determined by the Department of Human Resources and Department Manager.
2. Bargaining Unit Vacancies: Refer to applicable Collective Bargaining Agreements for posting requirements. A successful bidder can be held in current position for up to two (2) pay periods.
3. Uniformed Employees: Promotions for uniformed employees covered by Civil Service will be made through the administration of Civil Service examinations in accordance with existing Civil Service Rules and Regulations.
4. Promotional Pay Increase: When a non-bargaining unit employee is promoted, he/she may be placed in the salary range of the new position with an increase of five (5%) percent over their current pay grade. The employee will not be paid higher than the highest pay grade for that classification, even if that pay is less than five (5%) percent. This increase may be at the discretion of the department head based on budgetary constraints and at the recommendation of the Bureau Manager.

Bargaining unit employees whose position is changed (upgraded, downgraded, lateral move) shall have such change made in accordance with their respective contractual agreement.

When non-bargaining unit employees' positions are downgraded, they shall be placed in the position and their pay shall remain the same provided their pay does not exceed the pay range for that classification. In these cases, the employee will be placed in the highest pay for the classification.

When bargaining unit employees are promoted to a higher paying non-bargaining unit position, they will be placed in their new pay grade and receive an increase of five (5%) percent over their current pay grade and step. In no event shall an employee be paid higher than the highest pay grade for that classification even if that pay is less than five (5%) percent. This increase may be at the discretion of the new department head based on budgetary constraints.

Article 140.08 Temporary Assignment Duty

The City of Allentown non-bargaining unit employees may be entitled to additional compensation when performing services that are temporary in nature and beyond the scope of, and not part of, their regular responsibilities. Compensation for the additional services will be determined, in advance, through consultation between the Human Resources Department and the Department Head requesting the additional compensation. Employees assuming temporary assignment duty gain valuable experience which could enhance their promotional qualifications.

Municipal bargaining unit employees temporarily assigned to higher paying Municipal bargaining unit positions will be paid in accordance with their respective contractual agreement.

Municipal non-bargaining unit employees temporarily assigned to higher paying non-bargaining unit positions will be paid five (5%) percent above their current base pay as temporary acting duty (TAD) pay. An employees' pay, however, will not exceed the highest rate for that position.

Non-bargaining unit employees temporarily assigned to higher paying non-bargaining unit positions may be paid five (5%) percent above their current base pay unless more than five (5%) percent is necessary to attain the starting salary of such position. Such non-bargaining unit employee's pay, however, shall not exceed the highest pay grade of any temporary assignments pay grade.

Employee attendance records must reflect the number of days that the employee worked the higher paying job while on TAD and the name and pay grade of the higher paying job.

Non-bargaining unit employees in the status on TAD will not be paid TAD for time not worked such as sick leave, vacation, holidays, personal day, "non-productive" or any paid and/or non paid time off.

Bargaining unit employees will be paid in accordance with their respective contractual agreement.

Employees will begin receiving TAD compensation effective the first day they begin performing the increased job responsibilities.

Article 140.09 Work-Related Injury

If it is not possible for the appointments to be scheduled during non-working hours, the employee will not lose pay for the time away from the job. The employee is required to submit a note from the practitioner stating the date, duration and type of treatment administered. The employee is to report back to work immediately after the appointment.
12. The City shall have the right to have the employee examined by a physician of the City's choosing for the purpose of evaluating the employee's continuing disability and/or ability to return to work in a normal capacity. The employee will be notified in writing as to the date, time and place of examination. Failure on the part of the employee to attend and cooperate with this request could result in suspension of benefit payments on the part of the City.
13. If the results of the medical examination show that the employee is able to return to work in normal duty capacity, and the employee does not comply, all benefits paid by the City may be suspended.
14. Should a separate illness or injury occur unrelated to the current and ongoing work related incident during the disability period, it will have no effect on the status of payment of workers' compensation benefits. All claims will be submitted according to normal procedures for non-work related benefits.
15. If the employee has returned to work and there is a recurrence of the original illness or injury, medical attention should be sought immediately and physician recommendations followed.

Article 140.10 Modified Duty (Work-Related Only)

The City of Allentown will make a reasonable effort to help City employees who incur a work-related injury return to full, productive work status in a timely manner by identifying available temporary interim assignments for them. Modified duty is a privilege offered to employees that provides benefits to both the City and to the employee. *The City maintains no permanent modified duty positions*

When an employee suffers an injury/illness and is unable to perform the essential job functions of their positions, consideration will be given to a modified duty assignment. Whether the injury/illness is work-related or non-work-related will ultimately be determined by the City's Workers' Compensation carrier. Falsifying an injury or illness is a violation of City policy and subject to disciplinary action up to and including termination.

Employees are required to report medical conditions that do not allow them to perform the essential job functions of the employee's current assignment and position to their supervisor and the Department of Human Resources. The following are procedural guidelines for this policy:

1. Modified duty assignments will be determined and scheduled according to the needs of the City and medical restrictions.

The Department of Human Resources will notify the Bureau Manager of an employee's eligibility for modified duty, expected date of return to work, and provide recommendations as to suitable job placement for temporary modified duty assignments.
2. The Department of Human Resources will be responsible for monitoring, coordinating and processing of all modified duty requests and placements.
3. The Department of Human Resources, Bureau Manager or employee's immediate Supervisor will discuss the assignment with the employee. The employee may request union representation. An employee's refusal to take an approved interim modified duty assignment will constitute insubordination, and will result in disciplinary action up to and including discharge.
4. The Department of Human Resources will ensure proper follow-up with the employee including medical releases to return to regular duties. As the City provides no permanent modified duty positions a maximum of six (6) months will be allotted for modified duty assignments, with no more than one such assignment in any given 12-month period per employee. At the end of six (6) months if the employee remains unable to return to full duty without restrictions, the Human Resources Department will review the employee's status and medical documentation to determine if an employee can return to work to perform the essential functions of the job, or if they will be recommended for termination. Such a recommendation would be made to the department Bureau Manager by the Director of Human Resources.
5. Promotional processes and transfers while on modified duty will be at the discretion and approval of the department Bureau Manager and/or in accordance with union contracts.

6. Whether or not a duty weapon may be carried, a marked or unmarked vehicle operated, or uniform worn during modified duty (where applicable) will be at the sole discretion of the Police, or designee.
7. If the employee is fit for modified duty, but there is no suitable assignment available, he or she will continue receiving workers' compensation.
8. Modified duty assignments are not to be used for employees unable to perform the essential functions of the job due to matters not related to work-related illness or injury.
9. Upon receipt of a medical release form from the physician releasing the employee for full duty the employee is required to report back to work as of the date on the release from the physician. Failure to report back to work in accordance with the medical release date may result in disciplinary action, up to and including termination.

Article 140.12 Performance Evaluations

Each employee shall be evaluated during the first 45 and 90 working day increments after being hired. At which time the employee’s supervisor and the Director of Human Resources will determine whether to provide the employee with regular status, extend the employee’s probationary period or discharge the employee.

C. PERSONAL DAYS

Non-bargaining unit employees receive eight (8) personal days earned per year.

Beginning from date of hire, sick leave accrues as follows:

Employees must complete a four (4) calendar month waiting period before using sick leave. Sick leave will be earned during the 4 month period of employment, but cannot be used until after the 4 months of employment.

Future occasions relating to this same diagnosis will require the employee to submit a City medical certification form from the physician indicating that the latest occasion of sick leave relates to the original diagnosis and then the employee will not be charged with additional occasions.

Sick Time Pay-Out – At normal, full retirement employees eligible for pension will receive ten (\$10.00) dollars per day for unused sick leave days to a maximum of 100 days. Employees vesting in their pension are not entitled to this payout.

Sick Bonus – Non-bargaining unit employees that use three (3) days or less sick days in a calendar year are eligible for one (1) additional bonus personal day in the following year.

E. LEAVE OF ABSENCE

The City of Allentown recognizes that circumstances may arise which require that a full-time employee be absent for an extended period of time for medical reasons. In such instances, the employee may be granted an unpaid leave of absence, depending upon the circumstances of the individual's situation and based on the Bureau Manager's approval.

An unpaid leave of absence begins as of the date the employee is deactivated from City payroll.

Personal Leave of Absence - Any regular full-time non-bargaining unit employee may apply in writing to the Human Resources Department for an unpaid City leave for personal reasons if he/she has completed at least one year of continuous service for the City of Allentown and has used all accrued vacation time. The length of total leave time approved, including any paid time (such as vacation time) will not exceed one year.

Such a leave of absence will not exceed 180 consecutive calendar days measured from the date the leave commences.

To qualify for leave of absence the employee must have utilized all of her/his "available" and/or "accrued paid leave.

A personal leave of absence is approved by the Bureau Manager of the employee's absence does not impact the operational needs of the City. A leave that would cost the City more than the salary savings of the employee for the unpaid period, or would undermine the City's service delivery because of the specialized training, critical nature of the job, or seasonal workload fluctuations, will not be granted a leave of absence.

Employees requesting a leave of absence should request the leave in writing, to their Bureau Manager at least 30 calendar days before the leave would commence if possible. The request should include the purpose of the leave, the starting date, the duration of the leave in work days and the return to work date.

An employee will be eligible for medical benefits through COBRA coverage at their own expense during the unpaid personal leave of absence.

F. FAMILY AND MEDICAL LEAVE ACT ("FMLA")

The City of Allentown recognizes that it sometimes may be difficult for employees to balance the demands of a job with personal and family needs. The Family Medical Leave Act of 1993 ("FMLA") requires certain employers to allow eligible employees to take up to 12 weeks of leave (paid and/or unpaid) to care for a newborn or newly adopted child, to recuperate from their own serious illness, or to care for a seriously ill family member. For purposes of this policy, "family members" include: (1) the employee's spouse, (2) the employee's parent, (3) the employee's natural or adopted child or dependent stepchild. For FMLA purposes, the year shall begin on the first date FMLA leave is taken.

An eligible employee is one who has at least 12 months of service with the City of Allentown and has worked at least 1,250 hours for the City during the previous 12-month period. Eligibility is determined at the time the employee requests the leave.

An employee of the City of Allentown who has worked for the City for at least one (1) year, and for one thousand two hundred fifty (1,250) hours over the previous twelve (12) months, and works at a worksite which employs fifty (50) or more employees within seventy-five (75) miles, is eligible for leave under the Act. Spouses, both of whom are employed by the City of Allentown, are limited to a total of twelve (12) weeks of leave between them, in any twelve (12) month period, except in circumstances where either spouse or their child is affected by a qualifying serious health condition.

Your twelve (12) weeks of leave may be taken intermittently or your weekly schedule may be reduced in hours, only if written approval from the City of Allentown is given. If you need intermittent or reduced leave schedules due to a medical necessity, your request may be accommodated, provided you make every effort to schedule your absences so as to minimize the impact on the City of Allentown business operations.

Eligible Conditions: Family and medical leave may be requested for:

- *Birth, adoption, or foster care* – A new parent or foster parent may apply for leave within one year after child is born or placed in the parent's home. If both parents work for the City of Allentown, they will be entitled to a total of 12 weeks between them.
- *The employee's serious health condition, as defined by the law.*
- *A family member's serious health condition, as defined by law.*
- *For qualifying exigencies arising out of the fact that the employee's spouse, child or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation.*

A covered employer also must grant an eligible employee who is a spouse, child, parent, or next of kin of a current service member of the Armed Forces, including a member of the National Guard or Reserves, with a serious injury or illness up to a total of **26 workweeks** of unpaid leave during a "single 12-month period" to care for the servicemember.

Use of Paid leave Prior to FMLA Leave: For non-bargaining unit and SEIU employees, leave time will run concurrent with Family medical leave. However, for Police and Firefighters leave time will not run concurrent and employees will be allowed to take the 12 week family medical leave after leave time has been exhausted, if requested by the employee, in writing.

If an employee requests leave under FMLA because of his/her own serious health condition, the employee must first use his/her accumulated sick leave, accumulated vacation days and any accrued vacation or personal days. If an employee requests leave to care for an adopted child with a serious health condition, he/she must first use accumulated vacation and personal days and any accrued vacation days. If these days are fewer than 12 weeks required under the law, the City will grant additional days without pay but with paid medical benefits provided by the Act to a total of 12 weeks.

FMLA leave taken because of an employee's serious health condition shall not be considered when calculating occasions of sick leave used. During the term of FMLA leave, employees will accrue seniority, sick leave, vacation leave and personal days.

Prior Notice and Authorization: The City of Allentown requires that you provide the City with a thirty (30) days' advance notice when FMLA leave is needed, if your need is foreseeable. Otherwise, you must provide the City of Allentown with as much notice as is possible. The City may delay the taking of foreseeable FMLA leave until 30 days after the required notice is provided if these conditions are not met. If you are taking leave for personal illness or the illness of a family member, the City of Allentown requires that you submit medical certifications from a physician. When you request such leave, we will provide you with the appropriate forms.

Forms: When the City receives a medical certification indicating that the employee has a serious health condition and will be on medical leave for longer than five (5) days, the employee will be notified in writing that medical leave will be charged to the yearly entitlement under the provisions of the FMLA.

The employee will be required to provide medical certification of a serious health condition to the City of Allentown in accordance with FMLA and as will be further explained to the employee requesting FMLA leave at the time of such request. When an employee requests such leave, the City will provide the employee with the appropriate forms. The Department of Labor-Certification of Health Care Provider form must be completed by a Physician and returned within 15-days following the request.

While on FMLA leave, employees are requested to report periodically to the City every 30 days regarding the status of the medical condition and their intent to return to work.

In accordance with our uniform medical leave of absence policy, if you take FMLA leave for personal illness, the City of Allentown will also require a medical certification, on a City of Allentown Medical Certification form, indicating whether you are able to return without restrictions or unable to return from leave due to your health condition. Restoration may be denied until such certification is provided.

Return from FMLA Leave: At the conclusion of FMLA leave, most employees will be restored to their original or equivalent positions with the equivalent pay, benefits and other terms and conditions of employment. The City of Allentown is not obligated to restore any employee whose job position has been eliminated during the leave period. The City of Allentown reserves the right to deny restoration to certain highly compensated employees if necessary to avoid substantial and grievous economic injury to the City of Allentown's operations. These "key" employees are among the ten percent (10%) most highly compensated employees and will be notified of their status as "key" employees at the time they make their request for family medical leave. If it is anticipated that it may be necessary to deny restoration to a "key" employee, the City of Allentown will notify that employee and offer him/her an opportunity to return to work. If that employee elects not to return to work, the City of Allentown will nevertheless reconsider at the end of the leave period whether or not it will be possible to reinstate that employee without suffering substantial and grievous economic injury.

Health Care Coverage: During the period of your FMLA leave, the City of Allentown will continue your health care coverage as if you were continuously employed. Failure to make timely co-payments, for those required, may result in the termination of your health care coverage. Provisions for the payment of your health care co-payments will be made at the time of your leave request. The use of FMLA leave will not affect your exempt status under the Fair Labor Standards Act if you are already considered exempt. If you fail to return to work at the conclusion of your leave period, you are obligated to repay the City of Allentown the cost of your health care premiums paid for by the City during the period of your leave.

Other Terms and Conditions: The City of Allentown will not interfere with, or restrain or deny the exercise of any right provided under the FMLA. We will not discharge or discriminate against any person for opposing any practice made unlawful by the FMLA nor will we discriminate against or discharge any person because of involvement in any proceeding under or related to the FMLA. The Secretary of Labor is authorized to investigate and attempt to resolve complaints of violations and may bring an action in any federal or state court against a company for violating the FMLA. The FMLA will be enforced by the Department of Labor's Wage and Hour Division. An eligible employee may also bring a civil suit for violations of the FMLA. It should be noted that the FMLA does not affect any federal or state law prohibiting discrimination, nor does it supersede any state or local law which provides for greater family medical leave benefits. The FMLA does not affect an employer's obligation to provide greater leave benefits if that is required under a collective bargaining agreement or employment benefit plan or contract. No rights provided for under the FMLA may be diminished or waived by the agreement, plan or contract. A copy of your rights under the FMLA is posted at the City of

Allentown, and we are always happy to answer any questions concerning the FMLA or other concerns you may have as an employee. When FMLA is requested, we will provide you with a summary of your rights and obligations, and the expectations that we have of you in exercising leave. If an employee should find that an additional leave of absence is needed at the end of the FMLA leave period, that employee should feel free to contact the City of Allentown Human Resource Department. Requests for additional leave of absence will be handled on an individualized basis.

G. OTHER COMPENSATED LEAVE

Additional instances may arise when a non-bargaining unit employee needs to be away from work for reasons unrelated to vacation, personal or sick time. The following instances are identified:

Article 140.14 Employee Benefits

The second component of compensation, following pay, is employee benefits, consisting of the various forms of insurance and work-related cost savings to employees, which are paid partially or completely by the City. This section lists and briefly explains the various employee benefits.

A. HEALTH

The City of Allentown provides full-service hospitalization/medical services/major medical, health maintenance organization plan, prescription, dental and vision benefit plans for full-time employees and their eligible dependents. Coverage is available for an enrolled full-time employee effective after a two-month waiting period.

All covered employees and their dependents have an option of participating in either the traditional hospitalization/medical services/major medical coverage, or in a health maintenance organization (HMO) plan.

Effective January 1, 2010, active non-bargaining unit employees shall pay an employee contribution of seven and one-half (7.5%) percent toward the cost of whichever tier said employee elects under the Traditional Blue Cross plan or equivalent as provided by the City of Allentown. (14770 §1 11/18/09)

The seven and one-half (7.5%) percent employee contribution shall also be effected on the Keystone HMO plan or equivalent as provided by the City of Allentown effective January 1, 2010. (14770 §1 11/18/09)

4. Dental – A basic dental plan is provided with a limited deductible for each family member. The employee will be required to pay a portion of the premium costs.
5. Vision – Employees have a choice between the basic vision plan (offered only through the health maintenance organization coverage), or a specialty program for vision coverage for the employee or eligible dependents. Employees may be required to pay toward the premium costs through payroll deductions.
6. There will be an opt-out incentive of \$1,500, payable over 26 pays, for those non-bargaining employees who totally opt out of the City health and prescription plans. To be eligible for this

incentive, the opt-out must involve non-City health coverage for which proof of coverage must be shown. (14770 §1 11/18/09)

Retiree Coverage – For all eligible retirees, the City will provide the same health insurance benefits described above including the prescription plan, but excluding the dental plan and vision plan, subject to the following conditions:

1. To be eligible the employee must have at least fifteen (15) years of service and retire on or after January 1, 1984, the age of eligibility is 55. Coverage will remain in effect until the retiree attains age 65, until the retiree ceases contributions, or until the retiree's death, whichever occurs first.
2. Coverage is at the option of the retiree. If he/she retires before obtaining the age of eligibility, he/she must enroll in a plan before her/his eligibility age birthday. If he/she retires after attaining the eligibility age, he/she must enroll before terminating employment.
3. Once covered, if a retiree discontinues making payment of the required contributions or does not make the contribution by the 9th day of each month, he/she can never participate in a City retiree plan again for any reason.

5. **Opt-in or Opt-out Option** - Non-bargaining unit employees may opt in or opt-out of the current medical program offered at the time of his/her retirement. The election by the retiree to opt in to a future City sponsored medical program may be exercised only once during each retiree's lifetime.
6. The City will pay 75% of the premium costs for said medical and prescription coverage and the retiree will pay the remaining 25% of the premium costs. Failure to make payment by the 9th day of each month will cause the coverage to cease and the employee will receive a COBRA notification. Employee will not be able to exercise their retirement option for coverage because of nonpayment.
7. A non-bargaining unit employee must retire from the City with 15 years of service and attain the age of 55 to be eligible for this retiree health benefit. Employees resigning from the City of Allentown and vesting their pension are not eligible for this retiree health benefit option.

Summary plan descriptions are made available to all employees enrolled in the plans.

There are two pension plans available to eligible employees which provide income security upon retirement:

1. **Uniformed Plan:** The police and fire bargaining units maintain a separate pension plan. Contributions may be required from all participants in accordance with the applicable pension ordinance and contractual agreements.
2. **Non-Uniformed Plan:** All full-time non-uniformed employees are eligible and required to enroll in the plan administered through Pennsylvania Municipal Retirement System (PMRS) at the completion of the initial waiting

period of four months. The employee is required to contribute 7.5% of their total compensation (on a pre-tax basis). The retirement benefit is based on the last five (5) years average salary. Full retirement age is age 55. Full plan details can be obtained by referring to the plan booklet provided by PMRS.

D. FLEXIBLE SPENDING ACCOUNT

The City provides a Flexible Spending Account to allow all regular, full-time employees to set aside a portion of their compensation or wages to cover eligible expenses of insurance premiums, un-reimbursed medical and dependent care costs without having federal and social security taxes deducted.

E. DEFERRED COMPENSATION PROGRAM

The City provides to all full-time employees the opportunity to participate in a deferred compensation program, 457 Plan. The plan lets you defer, or "set aside", a portion of current earnings into an account for your retirement. When you do this, you reduce the amount of your income that is taxable now.

F. EMPLOYEE ASSISTANCE PROGRAM

As part of your employee benefits program you can obtain professional help through an Employee Assistance Program for yourself or a family member.

A staff of professional psychologists and counselors provide confidential assistance in dealing with any number of problems you may have, such as a family crisis concerning relationships with spouses, children, adolescents or older parents, legal issues, pressures on the job or at home, drug or alcohol addiction, or any other personal problem. The first five visits are free. Additional sessions may be partially covered under the City's medical plan.

Employees interested in learning more about the City's EAP program should contact the City's EAP counselors. Brochures are available in the Human Resources office or from your Supervisor.

Article 140.15 Employee Benefits Upon Separation

The following outlines various ways in which an individual's employment ceases and the effects on employee benefits:

The employee will not be compensated for any unused sick and personal time. If the employee participated in either the uniformed or non-uniformed pension plan, he/she may expect to receive a distribution from the applicable plan, pursuant to the terms of that plan. The pension plan distribution and accrued vacation will be paid following the employee's termination date. City-sponsored health and life insurance coverage will continue through the end of the month.

B. LAYOFFS/REDUCTION IN WORK FORCE

In the event of a layoff or reduction in work force which affects employees not covered by a collective bargaining agreement, the City will provide thirty (30) days notice to affected regular full-time employees, or appropriate (equivalent) pay in lieu of notice. Employee benefits will be affected as stated above. The notice and employee benefit allowance provisions do not apply to individuals who are not regular full-time employees.

C. RETIREMENT

An employee eligible for retirement should contact the Human Resources Department at least thirty (30) days in advance of the anticipated retirement date to discuss the effective date of termination and its' effect on employee benefits, and to begin the processing of required paperwork. Vacation accrual allowances will be paid following the date of retirement. City-sponsored health coverage ceases on the last day of month of employment.

D. DEATH OF AN EMPLOYEE

In the event of the death of an employee, his/her beneficiary or estate will receive compensation for any salary to which the employee is entitled, as well as any benefit amounts due from life insurance and pension plans, in accordance with beneficiary designations.

Article 140.16 Personnel Records

It is important for every employee to notify the Bureau Manager and the City's Human Resource Department, in writing of any change in the employee's personal information, such as: name, address, telephone number, marital status or number of dependents. This information, as well as performance evaluations and any other information which the City deems appropriate, will be placed in the employee's personnel file. The City will treat the information contained in that file as confidential.

Article 140.17 Employee Conduct and Work Rules

Good attendance practices are necessary to accomplish the work required to operate the City in an effective manner. All employee absences must be reported on the weekly attendance sheet. C. TRAVEL POLICY

It is the policy of the City to reimburse employees for travel expenses, including the cost of transportation, meals and lodging, provided such travel is performed in the course of conducting City business and has been approved by the respective supervisor in advance and the proper pre-authorization documentation is completed by the employee.

1. Activities which justify reimbursement of travel expenses include the attendance at professional association meetings, conventions, and seminars or other selected educational functions related to the employee's job.
2. Upon return from travel, all employees must complete the appropriate form, Travel Expense Voucher, and submit it within thirty (30) days of return.

All employees who are authorized to use the parking deck will be required to register their vehicle's make, model and license number. It is the employee's responsibility to inform the Allentown Parking Authority of any changes in vehicle ownership.

An electronic key entrance card will be issued to each registered employee.

The Human Resources department interacts with the Allentown Parking Authority for the parking spaces available for City Hall employees.

If the reduction/suspension of that license is over six (6) months, the City may terminate, suspend or temporarily transfer the employee.

If an employee permanently loses their driver's license and it is a requirement of their position to hold a valid license, employment with the City will be terminated.

If an employee is required to have an ignition interlock device in their personal vehicle as part of their driving restrictions, the City will not allow the employee to operate any City vehicles during this restriction. The City will not put an ignition interlocking device in any City vehicle to accommodate an employee who has these restrictions. 2. Keep dated, written records of each employee's quarterly driver's license check and report the finding to the City's Safety Compliance Officer.
3. Notification needs to be provided to the Bureau of Human Resources of all employees involved in license-related infractions.

G. ELECTRONIC RECORDING DEVICES

The City of Allentown prohibits employee use of cameras, camera phones, tape recorders or other recording devices in the workplace as a preventative step believed necessary to secure employee privacy and other business information.

It is prohibited for any employee to use a camera or other video or audio recording device in the workplace unless specific advance written authorization has been obtained from the Director of the Department.

Authorization may be granted when a specific business purpose will be served by the possession or use of such a device and when its use will not violate employee privacy. In such a case all parties to the meeting or conversation that is to be recorded must have been informed at its outset that it will be monitored, transcribed, intercepted, or recorded and they have consented to such actions prior to the conversation, preferably in writing.

Authorization may be revoked at any time for any reason. In such cases employees will be given a reasonable opportunity to remove the equipment from the premises.

Employees are also prohibited from arranging for others, including non-employees, to engage in any recording of conversations, phone calls, or other activities in the workplace.

Employees should regard this policy as an explicit statement that the employer does not consent to tape recording of any meetings or discussions without prior authorization as discussed above.

Employees with questions about this policy should contact their supervisor.

H. RULES OF CONDUCT

In the interest of efficient and safe services to the public and to protect the well-being and rights of all employees, employees must observe certain work rules and rules of conduct. Employees are expected to become familiar with these rules and observe them without exception. If any of these rules are not clear, employees should consult their supervisor. Violation of these rules is cause for disciplinary action, up to and including discharge. This list is not all-inclusive, but a thorough knowledge of its contents will minimize the possibility of employees being disciplined for actions that they thought were acceptable.

1. Employees are expected to be on the job, on time, each scheduled workday. Absent or tardy employees must notify their supervisor as early as possible, indicating how long they will be absent or late so that work schedules can be adjusted. Bureau Managers may require notification before the scheduled starting time if supervisory personnel are available to receive calls. Absent employees who do not report off within ½ hour of the starting time will be considered to be absent without leave. If an employee does not report to work or is tardy without notice AND a replacement is called in the employee will be treated as being absent for the entire day and will not receive any pay for the day.
2. Excessive absenteeism or tardiness will not be tolerated. A continuing record of unsatisfactory attendance/punctuality will result in progressive disciplinary action. Employees may not take time off without pay to avoid disciplinary action.
 - a. Full-Time Employees: Subject to the approval of their Bureau Manager, full time employees may take off without pay a maximum of fifteen (15) days (120 hours) in any calendar year. Such time may not be used in smaller increments than two (2) hours.
 - b. Part-Time Employees: Subject to approval by their Bureau Manager, part-time employees may take off without pay a maximum of eight (8) days (64 hours) in any calendar year. Such time off may not be used in smaller increments than two (2) hours.

3. An employee's performance of their job is important. All employees are expected to cooperate with their supervisors and follow instructions. Insubordination, which is the refusal to follow a supervisor's proper order, is a major offense and may result in immediate suspension and possible discharge.
4. Poor workmanship is not acceptable. Employees are expected to perform their work properly and efficiently and to meet established standards of quality considered to be acceptable for the type of work performed.
5. Rules for Safety and Health are established for employee's protection. These rules must be observed. Employees injured on the job must report the injuries to their supervisors as soon as possible. Willful or habitual violation of safety regulations is unacceptable.
6. Disruptive horseplay is not allowed.
7. Possessing firearms, ammunition, or any other kind of offensive or defensive weapon or device without specific authorization by the Police Chief is forbidden.
8. Any conduct which is in violation of the law or accepted standards of decency or morality, including the use of obscene or abusive language and/or behavior, will not be tolerated.
9. Sleeping loitering, unnecessary visiting, doing personal business and not present at the job site constitutes a theft of time and will be subject to discipline.
10. Appearance and hygiene are important. Employees are expected to wear the issued uniforms and to maintain them in a clean and presentable manner. Employees not issued uniforms are expected to wear clothing that conforms to accepted business and work place standards.
11. Employees are expected to use and maintain their tools and equipment in a safe, clean condition. Abuse, careless use, and/or unauthorized use of tools and equipment are unacceptable. Employees who lose or abuse equipment can be required to pay for its replacement. Management will obtain replacements through standard City procedures. The employee will reimburse the entire cost to the City through payroll deduction.
12. Employees' jobs may entail working with confidential information. Employee's are not permitted to release or discuss confidential information with unauthorized persons and are required to abide by all applicable Federal, State, and Local laws. Violation of this directive will result in discipline up to and including discharge.
13. Public employees' major responsibility is to provide service to the community. Courtesy and respect to all members of the public as well as to all co-workers are extremely important.
14. Employees are obligated to cooperate in every investigation of misconduct or wrongdoing in the workplace of which they have knowledge and report to their supervisors instances of such behavior. Responses, whether oral or in writing, shall be truthful and complete to the best of the employee's recollection. An employee's refusal or failure to cooperate fully and/or provide truthful responses will result in discipline.

I. DRESS CODE

Fostering a positive, professional, and comfortable working environment is a key priority for the City of Allentown. It is expected that employees will exercise good judgment, and appropriate grooming when dressing for work. Individual departments may require more stringent dress policies for business purposes. In those circumstances, the departmental policy will prevail.

1. Uniformed Employees – No aspect of this policy shall usurp standard practices and policies for those employees required to wear uniforms, and shall not conflict or supersede any collective bargaining agreement.
 - *Fire and Police*: Each employee shall be governed by their applicable collective bargaining agreement and departmental guidelines.
 - *Municipal*: Appropriate uniforms and safety equipment will be furnished to all employees required to wear uniforms or use such equipment
2. Employees are required to wear City-issued clothing and safety equipment during work hours. Bureau Managers are given the discretion to alter the dress codes to meet extreme conditions of cold or hot weather. Employee or personal safety must not be compromised. City supplied outer garments must be worn outside any personal clothing. Employees may wear t-shirts during warm weather, but they must be the currently authorized City color, with no lettering other than a union logo.
3. Uniforms are not to be worn when off duty in accordance with SEIU Contract Article 34, Item 5.
4. Uniforms identify the individual as an employee of the City of Allentown. Identification patches on the uniform shall not be removed. Altering City clothing or cutting off sleeves, pants legs, etc. or defacing the fabric is not permitted.
5. New uniforms and equipment are issued on an as needed basis in accordance with SEIU Contract Article 34, Item 3. Retiring or otherwise separating employees must return old uniforms and equipment.

The City of Allentown wishes to provide a work environment that is free of safety hazards, offensive behavior and harassment of any kind. Therefore, the following clothing is not acceptable: Spandex, bare feet, shorts-pants-skirts worn below the waistline, sexually provocative clothing, hats in the office environment; clothing with profanity, nude, or semi-nude pictures, sexually suggestive slogans; cartoons or drawings, or the observable lack of undergarments and exposed undergarments. In addition, visible body piercing (other than ears) is prohibited.

Monday through Thursday Attire:

1. Choose business or business casual clothing for employees not required to wear a uniform or City issued clothing.
2. Keep your workday schedule into account when you are dressing. Casual business attire means clothing that allows employees to feel comfortable at work, yet appropriate for an office environment. Business attire includes, but is not limited to: slacks, khakis, oxford shirts, ties, skirts and dresses, turtlenecks, sweaters, loafers, or other closed-toe shoes, and sandals.
3. In some cases, and only as specified and approved by your supervisor, employees will be permitted to wear jeans. Such occasions would appropriate to employees performing tasks that do not require uniforms, but require more durable fabric in the course of their work.

Friday

While the City observes a casual dress policy on Friday of each week, there may be situations requiring more formal attire. If you are conducting or attending meetings, seminars, roundtables, etc. where you come in contact with other business professionals, you are expected to represent the City in a professional manner and dress appropriately for conducting such business. Know your audience, remember what you represent and dress accordingly. We want to stress that casual business dress code policy is a privilege and must be adhered to in order to be retained.

The Friday dress code for the office may include jeans and well-kept athletic shoes. However, "Casual Friday" does not mean "sloppy" nor is it a time to become slack in one's appearance. It should be a time for one to feel comfortable, but dressed neatly.

The following attire will not be allowed: tank tops, tee shirts, flip flops, cut-off jeans, jeans with holes or shorts. Again, employees who in the course of their work must wear a uniform will be expected to continue that practice on Casual Day.

Managers and supervisors are responsible for interpreting and enforcing dress and grooming standards in their areas of responsibility. This includes counseling employees whose appearance to the public is inappropriate. Reasonable accommodation will be made for employees' religious beliefs and disabilities whenever possible, consistent with the business necessity to present a professional appearance to the public. Questions or complaints that cannot be handled to an employee's satisfaction by his or her supervisor or manager should be taken to the Human Resources Department.

Any employee whose appearance does not meet these standards will be counseled by their supervisor or manager. If the appearance is unduly distracting or the clothing is unsafe, the employee may be sent home to correct the problem. Employee will not be paid during this absence when they are sent home to correct the problem. Repeated disregard for the dress and grooming policy may result in disciplinary action up to and including termination of employment.

J. PERSONAL RELATIONSHIPS

An employee who is involved in a personal relationship with another employee may not work directly for or supervise the employee with whom he or she is involved. *Personal relationship* is defined as a marriage or relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature. The City of Allentown reserves the right to take prompt action if an actual or potential conflict of interest arises concerning individuals who occupy positions at any level (higher or lower) in the same line of authority that may affect employment decisions.

If a personal relationship is established after employment, it is the responsibility and obligation of the employees involved to disclose the existence of the relationship to the Department Director or Manager. When a conflict or the potential for conflict arises because of a personal relationship between employees, even if there is no line of authority or reporting involved, the employees may be separated by reassignment or terminated from employment.

Employees should be made aware that consensual sexual or romantic relationships can result in claims of sexual harassment because the voluntariness of the consent may be questioned when a power differential exists. If a sexual

harassment claim subsequently is filed, the argument that the relationship was consensual will be evaluated in light of the power differential.

Article 140.18 Discharge, Discipline and Work Rules

For the benefit and protection of all employees, the City and the City's residents, certain rules with regard to proper employee conduct are necessary.

The first purpose of disciplinary action is to correct the behavior of employees who have violated City, departmental or bureau work practices or rules of conduct. Discipline should be administered carefully and consistently.

Disciplinary action will be progressive; verbal reprimand, written reprimand, time off without pay, discharge. Progressive disciplinary action is not limited to violations of only one work rule; that is, verbal reprimand for tardiness may be followed by a written warning for horseplay, time off for drinking on the job and discharge for another tardiness incident. Progressive discipline may also "skip" less severe disciplinary action if the violation warrants, even if there have been no previous disciplinary action taken against the employee. Any discipline other than a reprimand must be reviewed with the Human Resource Manager or designee.

Managers/Supervisors are required to fully document all disciplinary measures and the incidents that give rise to the discipline. A copy of all such documentation must be provided to Human Resources. Reports of sexual harassment or any other harassment must be reported to Human Resources.

Article 140.19 Smoke-Free Environment

The City of Allentown by law is adopting the 2008 Clean Indoor Act, Pennsylvania Senate Bill 246 that prohibits smoking in workplaces, enclosed and substantially enclosed areas. The use of tobacco products is prohibited in all City buildings, including fire houses, police stations and City vehicles. "No Smoking", "Smoke-Free Building", or "Smoke Free Workplace" signs are posted throughout City properties by Building and Maintenance.

Department Directors and their Bureau Managers are responsible to enforce this regulation.

Smoking poses a significant risk to the health of the smoker and is a dangerous, life-threatening addiction. It can damage sensitive technical equipment and can be a safety hazard. A growing body of research now documents that smoking can also pose a significant health risk to nonsmokers. Most threatened are those with chronic heart or lung diseases such as asthma, chronic bronchitis or emphysema. Smoke-filled air can aggravate their illnesses. Healthy nonsmokers who are exposed to environmental tobacco smoke are also at risk. Environmental tobacco smoke is a cause of diseases, including lung cancer in healthy nonsmokers.

Article 140.20 Sexual Harassment

A. Definitions: The following phrases shall have the meanings specified below for the purposes of this policy:

1. Sexual Harassment: Unwelcome, on-the-job, offensive conduct of a sexual nature.
2. Quid Pro Quo Harassment: Submission to or rejection of unwelcome sexual advances or sexually oppressive conduct by an individual being used as a basis for employment decisions affecting such individual.
3. Hostile Environment: Conduct which unreasonably interferes with an individual's job performance or creates an "intimidating, hostile or offensive working environment," whether or not it leads to tangible or economic job consequence.

B. Policy:

It is the policy of the City of Allentown to maintain a working environment that is free from all forms of sexual harassment. It is against the policy of the City of Allentown and illegal under State and Federal law for any employee, male or female to sexually harass another employee. The City will abide by the Federal and State laws prohibiting sexual harassment.

This policy applies to all employees of the City of Allentown, including, but not limited to, full and part-time employees, seasonal and temporary employees, employees covered or exempted from personnel rules and regulations on or off-duty employees harassing another City employee on or off-duty, employees working under contract for the City and employees harassing non-employees while the employee is on duty or in City uniform.

It is hereby declared that acts of unwelcome sexual conduct, as defined herein, or the creation or perpetuation of a hostile work environment, or quid pro quo harassment are hereby prohibited within the employment of the City of Allentown by officers, agents and employees of the City.

Sexual harassment is a form of sex discrimination and means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

- Submission to that conduct is made either explicitly or implicitly as a term or condition of employment.
- Submission to or rejection of such conduct by an individual is used as a component of the basis for employment decisions affecting that individual.
- The conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Examples of sexual harassment include, but are not limited to the following when such acts or behavior come within one of the above definitions:

- Either explicitly or implicitly conditioning any term of employment (e.g. continued employment, wages, evaluation, advancement, assigned duties or shifts) on the provision of sexual favors.
- Intentional touching or grabbing a sexual part of the body.
- Intentional touching or grabbing any part of the body without consent or after that person has indicated, or it is known, that such physical contact is unwelcome.
- Continuing to ask an employee to socialize on or off-duty when that person has indicated that they are not interested.

- Regularly telling sexual jokes or using sexual vulgar or explicit language in the presence of a person if it is known or should be known that the person does not welcome such behavior.
- Retaliation of any kind for having filed or supported a complaint of sexual harassment (such as, but not limited to ostracizing the person, pressuring the person to drop or not support the complaint, adversely altering the person's duties of work environment, etc.).
- Derogatory or provoking remarks about or relating to an employee's sex.
- Harassing acts or behavior directed against a person on the basis of an employee's sex.
- Off-duty conduct that falls within the above definition and affects the work environment.

Sexual harassment can also consist of intimidating, abusive or hostile behavior of a nonsexual nature toward an employee on the basis of gender. Verbal abuse and hostility that is not sexual in character but is directed solely at females because they are female, or males because they are male; for example, is likewise a violation of this policy on the same level as harassment of a sexual nature.

Sexual harassment can also be same sex harassment. It is likewise a violation of this policy for a male to harass another male, or a female to harass another female.

Offensive conduct of a sexual nature by non-employees; such as, vendors, outside contractors and the like, against employees in the workplace should be reported immediately so that the appropriate action can be taken.

C. Procedures, Investigations, Sanctions and Appeal Notifications

Any employee who feels subjected to sexual harassment should immediately contact one of the persons below with whom the employee feels comfortable. Complaints may be made orally or in writing to:

- Employee's immediate supervisor
- Employee's department director
- Human Resource Manager, or designee
- City Solicitor
- The Mayor

Although employees are encouraged to try and resolve disputes with the help of their immediate supervisor, employees have the right to circumvent the chain of command in selecting the person to whom to make a complaint of sexual harassment.

The employees should be prepared to provide the following information to the individual to whom a complaint of sexual harassment is made:

- The employee's name, department and position title.
- The name of the person committing the sexual harassment, including person's title, if known.
- The specific nature of the sexual harassment, its duration and any employment action (demotion, failure to promote, dismissal, refusal to hire, transfer, etc.) taken against the employee as a result of the harassment, or any other threats made against the employee as a result of the harassment.
- Any witnesses to the harassment.
- Whether the employee has previously reported such harassment and, if so, when and to whom.

The filing of a bona fide complaint or otherwise reporting sexual harassment will not adversely affect the individual's employment status or future terms and conditions of employment.

Investigation

All complaints of sexual harassment will be promptly investigated and addressed by the designated Equal Employment Opportunity Officer.

The City of Allentown is committed and required by law to take action when it learns of potential sexual harassment, even if the aggrieved employee does not wish to formally file a complaint.

Care will be taken to protect the identity of the complaining party and of the accused party or parties, except as may be reasonably necessary to successfully complete the investigation.

It shall be a violation of this policy for any employee who learns of the investigation or complaint to take any retaliatory action that affects the working environment of any person involved in this investigation.

When an allegation of sexual harassment is made by any employee, the person to whom the complaint is made shall immediately prepare a report of the complaint and submit it to the Human Resource Manager, or designee, or in the event the sexual harassment complaint is against the Human Resource Manager, to the City Solicitor.

The investigator shall make and keep a written record of the investigation, including notes of verbal responses made to the investigator in connection with the investigation. The notes shall be made at the time the verbal interview is in progress.

Upon the receipt of a complaint of sexual harassment, the investigator shall immediately:

- Obtain a written statement(s) from the person complaining of sexual harassment that includes a comprehensive report of the nature of the sexual harassment complained of and the times, dates and places where the sexual harassment occurred. The investigator shall orally question the person complaining of sexual harassment about any information in the written statement that is not clear or needs amplification.
