Changes in rate shall become effective on the date specified in the ordinance. A tax for general revenue purposes and special municipal tax of one and three and one-half tenths percent (1.35%) is imposed on the following:

The tax levied by this article shall be applicable to salaries, wages, commissions and other compensation and to net profits earned in the period beginning January 1, 2012, and ending December 31, 2012 and for tax years thereafter with an effective date as provided by law.

331.03 DECLARATION AND PAYMENT OF TAX

1. Application.

(a) Income taxes shall be applicable to taxable income earned or received based on the method of accounting used by the taxpayer in the period beginning January 1 of the current year and ending December 31 of the current year, except that taxes imposed for the first time and changes to existing tax rates shall become effective on January 1 or July 1, as specified in the Ordinance, and the tax shall continue in force on a calendar year or taxpayer fiscal year basis, without annual reenactment, unless the rate of the tax is subsequently changed.

(b) For a taxpayer whose fiscal year is not a calendar year, the tax officer shall establish deadlines for filing, reporting and payment of taxes which provide time periods equivalent to those provided for a calendar year taxpayer.

(c) **Partial domicile.** The taxable income subject to tax of a taxpayer who is domiciled in the City of Allentown for only a portion of the tax year shall be an amount equal to the taxpayer's taxable income multiplied by a fraction, the numerator of which is the number of calendar months during the tax year that the individual is domiciled in the City of Allentown and the denominator of which is 12. A taxpayer shall include in the numerator any calendar month during which the taxpayer is domiciled for more than half the calendar month. A day that a taxpayer's domicile changes shall be included as a day the individual is in the new domicile and not the old domicile. If the number of days in the calendar month in which the individual lived in the old and new domiciles are equal, the calendar month shall be included in calculating the number of months in the new domicile.

(d) **Declaration and payment.**--Except as provided in subsection (1) (b), taxpayers shall declare and pay income taxes as follows:

(i) Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident tax officer, a final return showing the amount of taxable income received during the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of tax due on the taxable income, the amount of tax paid, the amount of tax that has been withheld under section 512 of the LTEA, 53 P.S. Section 6924.512, and the balance of tax due. All amounts reported shall be rounded to the nearest whole dollar. At the time of filing the final return, the taxpayer shall pay the resident tax officer the balance of the tax due or shall make demand for refund or credit in the case of overpayment.

(ii) Every taxpayer making net profits shall, by April 15 of the current year, make and file with the resident tax officer a declaration of the taxpayer's estimated net profits during the period beginning January 1 and ending December 31 of the current year, and shall pay to the resident tax officer in four equal quarterly installments the tax due on the estimated net profits. The first installment shall be paid at the time of filing the declaration, and the other installments shall be paid on or before June 15 of the current year, September 15 of the current year and January 15 of the succeeding year, respectively.

(iii) Any taxpayer who first anticipates any net profit after April 15 of the current year shall make and file the declaration required on or before June 15 of the current year, September 15 of the current year or December 31 of the current year, whichever date next follows the date on which the taxpayer first anticipates such net profit, and shall pay to the resident tax officer in equal installments the tax due on or before the quarterly payment dates that remain after the filing of the declaration.

(iv) Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident tax officer a final return showing the amount of net profits earned or received based on the method of accounting used by the taxpayer during the period beginning January 1 of the current year, and ending December 31 of the current year, the total amount of tax due on the net profits and the total amount of tax paid. At the time of filing the final return, the taxpayer shall pay to the resident tax officer the balance of tax due or shall make demand for refund or credit in the case of overpayment. Any taxpayer may, in lieu of paying the fourth quarterly installment of the estimated tax, elect to make and file with the resident tax officer on or before January 31 of the succeeding year, the final return.

(v) The Department, in consultation with the Department of Revenue, shall provide by regulation for the filing of adjusted declarations of estimated net profits and for the payments of the estimated tax in cases where a taxpayer who has filed the declaration required under this subsection anticipates additional net profits not previously declared or has overestimated anticipated net profits.

(vi) Every taxpayer who discontinues business prior to December 31 of the current year, shall, within 30 days after the discontinuance of business, file a final return as required under this paragraph and pay the tax due.

(vii) Every taxpayer who receives any other taxable income not subject to withholding under section 512 (3) of the LTEA, 53 P.S. Section 6924.512 (3), shall make and file with the resident tax officer a quarterly return on or before April 15 of the current year, June 15 of the current year, September 15 of the current year, and January 15 of the succeeding year, setting forth the aggregate amount of taxable income not subject to withholding by the taxpayer during the three month periods ending March 31 of the current year, June 30 of the current year, September 30 of the current year, and December 31 of the current year, respectively, and subject to income tax, together with such other information as the department may require. Every taxpayer filing a return shall, at the time of filing the return, pay to the resident tax officer the amount of income tax due. In accordance with criteria established by the Department, the tax officer may waive the quarterly return and payment of the income tax and permit a taxpayer to file the receipt of taxable income on the taxpayer's annual return and pay the income tax due on or before April 15 of the succeeding year.

331.04
WITHHOLDING AND REMITTANCE

For taxable years commencing on and after January 1, 2012, or earlier taxable years if specified by a tax collection district, income taxes shall be withheld, remitted and reported as follows:

(1) Every employer having an office, factory, workshop, branch, warehouse, or other place of business within the tax collection district which employs one or more persons, other than domestic servants, for a salary, wage, commission or other compensation, who has not previously registered, shall, within fifteen days after becoming an employer, register with the tax officer the name and address of the employer and such other information as the officer may require.

(2) An employer shall require each new employee to complete a certificate of residency form, which shall be an addendum to the Federal Employee's Withholding Allowance Certificate (Form W-4). An employer shall also require any employee who changes their address or domicile to complete a certificate of residency form. The certificate of residency form shall provide information to help identify the political subdivision where an employee lives and works. Forms of certificate of residency may be obtained by an employer from the Department upon request by an employer.

(3) Every employer having an office, factory, workshop, branch, warehouse or other place of business within a tax collection district that employs one or more persons, other than domestic servants, for a salary, wage, commission or other compensation, shall, at the time of payment, deduct from the compensation due each employee employed at such place of business the greater of the employee's resident tax or the employee's nonresident tax as released in the official register under section 511 of the LTEA, 53 P.S. Section 6924.511.

(4) Except as set forth in paragraph (5), within 30 days following the end of each calendar quarter, every employer shall file a quarterly return and pay the amount of income taxes deducted during the preceding calendar quarter to the tax officer for the place of employment of each employee. The form shall show the name, address and Social Security number of each employee, the compensation of the employee during the preceding three-month period, the income tax deducted from the employee, the political subdivision imposing the income tax upon the employee, the total compensation of all employees during the preceding calendar quarter, the total income tax deducted from the employees and paid with the return and any other information prescribed by the department.

(5) Notwithstanding paragraph (4), the provisions of this paragraph shall apply if an employer has more than one place of employment in more than one tax collection district. Within 30 days following the last day of each month, the employer may file the return required by paragraph (4) and pay the total amount of income taxes deducted from employees in all work locations during the preceding month to the tax officer for either the tax collection district in which the employer's payroll operations are located or as determined by the department. The return and income taxes deducted shall be filed and paid electronically. The employer must file a notice of intention to file combined returns and make combined payments with the tax officer for each place of employment at least one month before filing its first combined return or making its first combined payment. This paragraph shall not be construed to change the location of an employee's place of employment for purposes of nonresident tax liability.

(6) Any employer who, for two of the preceding four quarterly periods, has failed to deduct the proper income tax, or any part of the income tax, or has failed to pay over the proper amount of income tax as required by paragraph (3) to the tax collection district, may be required by the tax officer to file returns and pay the income tax monthly. In such cases, payments of income tax shall be made to the tax officer on or before the last day of the month succeeding the month for which the income tax was withheld.

(7) On or before February 28 of the succeeding year, every employer shall file with the tax officer where income taxes have been deducted and remitted pursuant to paragraph (3):

(a) An annual return showing, for the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of compensation paid, the total amount of income tax deducted, the total amount of income tax paid to the tax officer and any other information prescribed by the department.

(b) An individual withholding statement, which may be integrated with the Federal Wage and Tax Statement (Form W-2), for each employee employed during all or any part of the period beginning January 1 of the current year and ending December 31 of the current year, setting forth the address and Social Security number, the amount of compensation paid to the employee during the period, the amount of income tax deducted, the amount of income tax paid to the tax officer, the numerical code prescribed by the department representing the tax collection district where the payments required by paragraphs (4) and (5) were remitted and any other information required by the department. Every employer shall furnish one copy of the individual withholding statement to the employee for whom it is filed.

(8) Any employer who discontinues business prior to December 31 of the current year shall, within 30 days after the discontinuance of business, file returns and withholding statements required under this section and pay the income tax due.

(9) Except as otherwise provided in section 511 of the LTEA, 53 P.S. Section 6924.511, an employer who willfully or negligently fails or omits to make the deductions required by this subsection shall be liable for payment of income taxes which the employer was required to withhold to the extent that the income taxes have not been recovered from the employee. The failure or omission of any employer to make the deductions required by this section shall not relieve any employee from the payment of the income tax or from complying with the requirements for filing of declaration and returns.

(h) The tax collection committee shall designate the custodian of the bond.

(i) The tax officer shall file copies of all bonds in effect with the City of Allentown.

(j) A copy of all bonds in effect shall be made available upon request and at no cost to the department or to a tax collection district or political subdivision seeking payment or distribution of income taxes authorized by this Ordinance.

(b) The Department of Revenue may enter into agreements with each tax collection district and shall establish procedures under which tax collection, filing and other taxpayer and locality information in its custody will be made available to tax officers for purposes of collection, reconciliation and enforcement no later than one year after the deadline for filing returns for the tax year in question.

(8) **Actions for collection of income taxes.**--The tax officer may file an action in the name of the City of Allentown for the recovery of income taxes due to the City of Allentown and unpaid. Actions for collection of income taxes shall be subject to the following:

Where an action is brought for the recovery of the income tax, the taxpayer liable for the income tax shall, in addition, be liable for the costs of collection, interest and penalties.

(b) The Department may establish conditions under which a tax officer, with the concurrence of the tax collection committee, may abate interest or penalties that would otherwise be imposed for the nonreporting or underreporting of income tax liabilities or for the nonpayment of income taxes previously imposed and due if the taxpayer voluntarily files delinquent returns and pays the income taxes in full.

(c) The penalties imposed under this subsection shall be in addition to any other costs and penalties imposed by this Ordinance.

(11) **Costs.** The tax officer shall be entitled to impose and collect the reasonable costs incurred to provide notices of delinquency or to implement similar procedures utilized to collect delinquent taxes from a taxpayer as approved by the tax collection committee. 333.03 TAX RATE AND BASIS; BUSINESS VOLUME DETERMINATION; EXEMPTIONS AND RECORDS

There is hereby levied for the tax year 1980-1981 and annually thereafter a tax for general revenue purposes on the privilege of doing business as herein defined in the City as follows:

A. Rate and Basis of Tax

The rate of the tax on each dollar of the whole or gross volume of business transacted within the territorial limits of the City shall be as herein set forth, on retail business the rate shall be one and one-half mills (one and one-half mills means One Dollar and Fifty Cents [\$1.50] per Thousand [\$1,000.00] Dollars of gross volume of business), the rate of the tax for wholesale business transacted shall be one mill (one mill means One [\$1.00] Dollar per Thousand [\$1,000.00] Dollars of gross volume of business.) The rate of tax for service and rental business transacted shall be three mills (three mills means Three [\$3.00] Dollars per Thousand [\$1,000.00] Dollars of gross volume of business). For purposes of this section, the nature of the transaction which yields the gross volume and not the principal business of the vendor shall determine the appropriate rate of taxation, e.g., any retail transactions of a wholesale dealer shall be taxed at the rate established for retail transactions rather than for wholesale transactions. (12429 §1 9/17/80)

B. Tax Year Change

Beginning in 1997, the business privilege tax return shall be due on or before April 15 of each year. In the year 1997, the return shall be due on April 15 and the corresponding tax, based on 1996 receipts, may be paid on an installment basis through October 1, 1997, as established by the Department of Administration and Finance. In years after 1997, both the business privilege tax return and the tax shall be due on April 15 of each year. The tax is measured by the actual gross receipts generated in the preceding year, except in cases of a seasonal, temporary or itinerant business. (13383 §1 3/7/96)

C. Computation of Volume of Business

1. Commencing Business Before January 1 of Full Year Prior to October 1 For Years Prior to 1997: Every person subject to the payment of the tax hereby imposed, who has commenced his business prior to the full calendar year prior to the tax year, shall compute his annual estimated gross volume of business upon the actual gross amount of business transacted by him during the immediately preceding calendar year. (13383 §1 3/7/96)

2. Commencing Business Before October 1 but After January 1 of Full Prior Year For Years Prior to 1997: Every person subject to the payment of the tax hereby imposed, who has commenced or who commences his business before the beginning of the tax year but after the beginning of the full calendar year prior to the tax year, shall compute his estimated annual gross volume of business for the tax year upon the gross volume of business transacted by him during prior calendar year, taking the monthly average during such period and multiplying the same by twelve (12). In the event that he was in business fewer than ninety (90) days in the prior calendar year, he shall be permitted to use sufficient days in the calendar year in which the tax year begins to equal ninety (90) successive days after commencement of business, to take a monthly average thereon, and to multiply the average by twelve (12). (13383 §1 3/7/96)

3. Commencing Business After October 1 For Years Prior to 1997: Every person subject to the payment of the tax hereby imposed, who has commenced or commences his business subsequent to the beginning of the tax year, if there is less than three (3) months from the commencement of his business to the end of the tax year, shall compute his annual gross volume of business upon the actual gross amount of business transacted by him during the tax year. If there is more than three (3) months from the commencement of his business to the end of the tax year, he shall compute his estimated gross volume of business for such tax year upon the gross volume of business transacted by him during the period from the commencement of his business to the end of the tax year, taking the monthly average during the first three (3) months of business and multiplying the same by the number of months from the commencement of business to the end of the tax year. (13383 §1 3/7/96)

4. Temporary Seasonal or Itinerant Business Every person subject to the tax hereby imposed, who engages in a business temporary, seasonal or itinerant by nature, shall compute the estimated gross amount of business to be transacted by him for the period he engages in such temporary, seasonal or itinerant business within the City by a method to be determined by the Director of Administration and Finance. (12688 §2 12/18/85; 13383 §1 3/7/96)

5. Refund of Overpayment Under Protest The Director of Administration and Finance is hereby authorized to accept payment under protest of the amount of business privilege tax claimed by the City in any case where the taxpayer disputes the validity or amount of the City's claim for tax. If it is thereafter judicially determined by a court of competent jurisdiction that the City has been overpaid, the amount of the overpayment shall be refunded to the taxpayer. The provisions of this Section shall be applicable to cases in which the facts are similar to those in a case litigated in a court of competent jurisdiction. (12688 §2 12/18/85; 13383 §1 3/7/96)

6. Incidental Use of Residential Property No tax shall be assessed and collected on rental received by an owner from a building of two units or less originally erected as a private dwelling house and occupied as a residence by such owner during the tax year. (13099 §1 11/27/91; 13383 §1 3/7/96)

Failure to provide evidence of such status shall result in a denial of exempt business privilege tax status. A copy of the Federal 990 Form shall be the evidence. (14361 §1 2/17/06)

2. State Preemption No tax shall be assessed and collected on a privilege, transaction, subject or occupation which is subject to a State tax or license fee, and which tax or license fee has been held by the courts of Pennsylvania to be the basis for exemption from the imposition of a business privilege or mercantile tax by a municipality. (13142 §3 8/6/92)

3. Utilities No tax shall be assessed and collected on the gross receipts from utility service of any person or company whose rates of service are fixed and regulated by the Pennsylvania Public Utility Commission; or on any public utility service rendered by any such person or company or on any privilege or transaction involving the rendering of any such public utility service.
